Dear President Fisher:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, at its meeting on January 7-9, 2009, reviewed the Follow-Up Report submitted by the college and the report of the evaluation team which visited on Wednesday, November 19, 2008. The Commission took action to accept the report.

I have previously sent you a copy of the evaluation team report. The Commission requires that you give the report and this letter appropriate dissemination to your college staff and to those who were signatories of your college report. This group should include campus leadership and the Board of Trustees. The Commission also requires that all reports be made available to students and the public. Placing copies in the college library can accomplish this. Should you want the report electronically to place on your web site or for some other purpose, please contact Commission staff. The Follow-Up Report will become part of the accreditation history of the college and should be used in preparing for the next comprehensive evaluation.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. Professional self-regulation is the most effective means of assuring integrity, effectiveness and quality.

Please note that the next comprehensive evaluation of Antelope Valley College will occur during **Fall 2010**.

Sincerely,

Barbara A. Beno, Ph.D.
President
