

What can I do with this major: History

Besides World Civilization, Western Civilization, and early and modern American Histories, there are also several specialized fields available to choose from: Vietnam to Iraq; History of the American West; African American History; Women in American History; Cultural History of Mexico; History of California; and the History of Latin America and the Caribbean. These courses cover a wide range of subjects and time periods, and clearly there is something to satisfy everyone's interest.
