

The Antelope Valley Children's Choir is non-profit program under the Community Education Department of Antelope Valley College. This program helps children fulfill their talents and give something of value back to the community in which they live. The choir has been able to function and exist through one primary reason – the generosity of its patrons and donors. The Choir performs locally at festivals, competitions and much more. The Antelope Valley Children's Choir opens new doors for children to have a musical education that is quickly disappearing from our school systems. Auditions for this elite group are typically held twice each year. We are honored to have Mrs. Kara Slocum as our Director.
