**COMMUNICATION NO. 228-2009/10-BS**

Prepared by the Office of Vice President Business Services  
for Presentation to the Board of Trustees

**SUBJECT: APPROVAL OF NAMES – INTERIOR CAMPUS ROADS**

**A. BACKGROUND**

A call to the campus community for help to name the AVC campus roads resulted in 86 different naming suggestions as well as an additional 26 naming suggestions for an individual involved with the college or community. The response from the campus community was enthusiastic, and very much appreciated by the SPBC Facilities Subgroup members.

The campus road naming project will require the design, purchase and installation of street signs to identify the newly named campus roads. Funding will be provided by Redevelopment and/or Measure R funds for this facility improvement project. It will not only improve the College identity and campus aesthetics, but will also improve way-finding with visible street signage and recognizable road names. The installed signage will allow for future honoring of individuals and other naming opportunities per AP6620. The recommendations are attached.

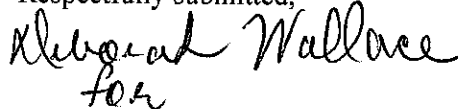

**B. BUDGET IMPLICATIONS**

An estimated amount not to exceed \$35,000 will be funded by Redevelopment and/or Measure R funds.

**C. RECOMMENDATION**

It is recommended that the Board of Trustees approve the attached recommendations for the AVC campus roads as presented.

Respectfully submitted,

for  
Jackie L. Fisher, Sr.  
Superintendent/President
