SHEPHERD OF THE HILLS – ANTELOPE VALLEY SCHOLARSHIP

Shepherd of the Hills is one of the fastest growing Christian churches in the country with 12,000 at several different campuses throughout Southern California. Shepherd of the Hills – Antelope Valley opened in Lancaster on Easter of 2008. We love serving our community and we are committed to the young people of the AV! The students, staff and faculty of Antelope Valley College are in our prayers. Congratulations in advance to our future scholarship winners!

The recipient should demonstrate a willingness to lead while having the heart of a servant. The servant leader should have a significant impact on others in their school or community. Jesus said He came not to be served, but to serve. Leadership without humility is ineffective in the end.

ANTELOPE VALLEY COLLEGE FOUNDATION

The Antelope Valley College Foundation is a non-profit, tax-exempt 501 (c) (3) corporation created in support of Antelope Valley College to broaden the educational opportunities for its students. Established in 1993, it is designated to receive tax-deductible gifts for the college from individuals, corporations and foundations.

Since 1993, the Foundation has actively raised funds to help keep Antelope Valley College at the forefront of educational institutions. Quality education depends on fiscal stability, well-maintained facilities, state-of-the-art technology, and a faculty and staff that are current with new and innovative advances in their fields. Public funding is no longer enough to sustain the college's diverse programs. That's why Antelope Valley College increasingly relies on generous private support from alumni, parents and friends, corporations, foundations, and people like you.

THANK YOU TO OUR DONORS

It is through the generosity of our many donors – individuals, businesses and community groups – that we are able to support the continued education of our students. This investment in education ensures the strength of our workforce, the cultivation of future leaders, and the health and well being of our local, national and global community. You make a difference in the lives of our students. You touch the future. You help our students imagine the possibilities. Thank you for your generous and ongoing support!
