**Program Description**

The Child and Family Education curriculum is designed to meet the needs of students who wish to qualify for work with groups of young children under private or public auspices. The following courses will meet this requirement: CFE 101, 102, 103, and one of the following: CFE 104, 105, 106 or 114. The certificate program is designed to enable students to gain employment at the entry level in selected occupational areas. Completion of certificate qualifies students for the California Child Development Permit.

Students must receive a minimum grade of “C” or better in all required core

courses and the specific courses listed as program electives in order to qualify for the degree or certificate.

**Distinctive Features**

The quality of instruction and the varying educational and professional backgrounds of the faculty provide a program that meets the diverse demands of the many career options. Students receive “hands-on” learning experiences which include observations at different locations and participation with young children. Current texts are used along with films, videos, and other media to implement and support the instruction. Lecture sessions include discussion of material and question and answer periods concerning the material and locations observed during field trips.

**Career Options**

- Assistant Teacher
  - Child Development Specialist
  - Child Mental Health Specialist
  - Children’s Center Supervisor
  - Children’s Center Teacher
  - Early Childhood Education Aide
  - Early Childhood Education Director

## Associate Degrees

The requirements for an associate degree in Child and Family Education and School-Aged Child Care may be satisfied by completing the respective certificate program in addition to the associate degree requirements. (See Graduation/Associate Degree Requirements.)

Students who complete the associate degree have enhanced employability in the field of Early Childhood and School-Aged Child Care. Students are well prepared with an indepth understanding, hands-on experience and principals of Early Childhood and School Age child development.

The associate degree will also provide students with a broad range of knowledge with which to evaluate the learning environment and analyze the dynamics of teaching in child care settings.

Child and Family Education courses can be included in the requirements for the associate degree in Family and Consumer Education. (Please see Family and Consumer Education Program.)

## Transfer

Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center and consult with a counselor as soon as possible. Additional information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: [www.assist.org](http://www.assist.org)

## Prerequisite Completion

If a course is listed as a prerequisite for another course, that prerequisite course must be completed with a satisfactory grade in order to enroll in the next course. According to Title 5, Section 55200(d), a satisfactory grade is a grade of "A," "B," "C" or "P". Classes in which the Pass/No Pass option is available are indicated with an asterisk (\*) before the course title. See "Pass/No Pass Option" in the catalog for full explanation.

Students will review theories of learning and development, philosophies of educating young children, and early childhood program models. Developmentally appropriate practices and the interactive influences of culture, family, and individual needs on environmental and curriculum planning will be discussed. Students will conduct directed observations of early childhood programs in the community. A current TB clearance may be required. (CSU, AVC)

### CFE 102 \*THE DEVELOPING CHILD

*3 units*

*3 hours weekly*

**Advisory:** *Eligibility for College Level Reading and ENGL 101.*

Designed for students planning to work in early childhood and school-age settings, this course will provide a study of child growth and development from conception through adolescence. Developmental theory, patterns of child behavior, and the physical, social, emotional and cognitive development of the child within family and cultural contexts will be examined. Child observation in home, community, and classroom settings will be emphasized. A current TB clearance may be required. (CSU, AVC)

### **CFE 103 \*THE CHILD IN FAMILY AND COMMUNITY RELATIONSHIPS**

3 units

3 hours weekly

**Prerequisite:** Completion of CFE 102.

**Advisory:** Eligibility for College Level Reading and ENGL 101.

Designed for students planning to work in early childhood and school-age settings, this course will examine the interaction of the child, family, peers, school, media, and community upon child development. The influence of diverse ethnicities, cultures, languages, social classes, gender roles, and individual abilities and the impact of family behavior, morals, values, and attitudes upon child development will be explored. Directed observation in early childhood and school-age settings will be emphasized. A current TB clearance may be required. (CSU, UC, AVC)

### **CFE 104 \*LITERATURE FOR CHILDREN**

3 units

3 hours weekly

**Prerequisite:** Completion of CFE 102.

**Advisory:** Eligibility for College Level Reading and ENGL 101.

Designed for students planning to work in early childhood and school-age settings, this course will introduce a variety of quality literary selections and the pleasures gained from reading, listening to, and viewing children's literature for pleasure and informational purposes. Students will examine literary theories and genres and discuss literary preferences and responses of learners, while identifying and describing, children's fiction and non-fiction literature. Students will learn strategies and techniques to apply when presenting literature in early childhood and school-age programs. This course may be used with CFE 107 to satisfy the 6-unit specialization requirement for the Master Teacher level of the Child Development Permit. A current TB clearance may be required. (CSU, AVC)
