The complete Academic Honesty Policy is on Page 35 of this catalog.

Continuous Enrollment

Continuous attendance for catalog rights is defined as attendance in either fall and/or spring semesters in each calendar year. Summer and intersession

Distance Education

Title 5, Section 55000 defines Distance Education as a means of instruction in which the instructor and student are separated by distance and interact through the assistance of communication technology. Antelope Valley College currently offers two distance education opportunities: Instructional Television and Online.

Instructional Television (ITV)

A practical alternative to classroom instruction, telecourses offer flexibility to students who wish to enroll in a college course but are unable to come to AVC on a regular basis. These college-credit courses fit into the busiest of schedules, enabling students with full-time jobs and family responsibilities to advance their careers and education without sacrificing other important things in life.

The ITV courses combine classroom instruction with weekly televised presentations that will be announced the first class meeting. Tapes of all broadcasts are also available for check out in the AVC Instructional Media Center. Students meet on campus specific dates which are listed with the course description. The class schedule also provides a listing of the ITV courses being offered each semester.

Online Courses

Certain courses are offered online to provide an opportunity for students

to complete the majority of the course requirements from their home or office. Participants will have the chance to interact with the instructor and other students using a variety of technologies. Classes may occasionally meet on campus in the traditional classroom to insure that students are familiar and competent with the technologies being utilized, or for testing purposes. These courses will assist students with nontraditional work schedules and/or home responsibilities in the pursuit of their education. The class schedule provides a listing of the courses being offered online each semester.

Educational Program (Title 5, Section 55000 (g))

An Educational Program is an organized sequence of courses leading to a defined objective, a degree, a certificate, a diploma, a license, or transfer to another institution of higher education. All Educational Programs must be approved by Academic Policies & Procedures Committee (AP&P), the Board of Trustees, and the Chancellor's Office.

General Education (Breadth Requirements)

A specific group of course requirements, usually outside and in addition to the student's major, that must be met in order to obtain an Associate or Bachelor's degree.

Incomplete Grade

Grade which an instructor may give to the student who at the end of the term has not completed all the required course work due to an unforeseeable emergency and justifiable reason. All course work must be completed and a final letter grade assigned within one year from the end of the semester in which the "I" grade was assigned. An Incomplete Contract must be completed and signed by both the instructor and the student and submitted to the Admissions and Records Office when instructors submit semester grades.

Limitation on Enrollment

A condition of enrollment which limits how students qualify for a particular course or program. Additional information is detailed on Page 19 of this catalog.

Pass/No Pass Option

("P"/"NP") (Title 5, Section 55022)

Type of class grading in which the student is given the grade of "P" (pass) or

"NP" (no pass) rather than a letter grade of an "A," "B," "C," "D" or "F." A "P" grade indicates that the work was equivalent to "A," "B" or "C" and unit credit is given. An "NP" grade indicates that the work was less than satisfactory and no units are awarded. "P" and "NP" grades are not counted toward the student's grade point average. Some classes are offered on a "P/NP" basis only, while others may be taken as "P/NP" at the student's option. Additional details for "P/NP" are listed on Page 29 of this catalog.

Prerequisite

A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite will assure that a student has the skills, concepts and/or information necessary for success in the course; on the other hand, a student who has not met the prerequisite is highly unlikely to receive a satisfactory grade in the course. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. Additional information on completion of prerequisites is listed on Page 18 of this catalog.

Probation, Academic

Student is placed on academic probation whenever the students' grade point average in units attempted at AVC is less than 2.0. Additional information on probation is detailed on Page 34 of this catalog.

Probation, Progress

After enrolling in at least 12 units of AVC credit, a student shall be placed on progress probation when the percentage of all units in which a student has enrolled and for which entries of "W," "I" and "NP" are recorded reaches or exceeds 50 percent. Additional information on progress probation is detailed on Page 34 of this catalog.

Program Change

Certification occurs only upon student request to the transcript department.

Unit (or Credit)

A value which indicates the amount of credit given to a class on a student transcript. It often reflects the amount of time required for class attendance. Thus, a three-unit (or three-credit) lecture class would require class attendance for three hours per week.

Withdrawal

Process by which the student officially drops any class or all classes in a semester. Additional information on withdrawal is detailed on Page 33 of this catalog.
