### **Veterans Services**

**722-6300 ext. 6342**

The Veterans Administration (VA) pays education benefits to eligible veterans, service persons, National Guard and active reserve members, and eligible dependents and survivors of 100% permanent service-connected disabled veterans or deceased veterans through select education programs. Standards pertaining to attendance, grading policies, academic probation and dismissal, or any other enrollment services issue or matriculation component are consistent with the requirements for any other student at Antelope Valley College. Students who may be eligible for a VA education benefit are encouraged to apply by visiting the VA education website at [www.gibill.va.gov](http://www.gibill.va.gov) or by contacting the Veterans Affairs Program at 722-6300, ext. 6342.

### **Student Development and College Activities**

**722-6300 ext. 6354**

The Student Development and College Activities Office is designed to assist students in the development of citizenship and leadership. Students can become involved in all aspects of leadership, government and college activities through a number of methods.

### **Student Governance Opportunities**

Each spring semester, an election is held to fill the Student Trustee position. The Student Trustee serves as a member of the AVC Board of Trustees and advises the Board on issues as they prepare to vote on college matters. Qualifications for the Student Trustee can be obtained from the Student Development and College Activities Office.

### **Associated Student Organization**

Associated Student Organization (ASO) has an elected Executive Board and Senators. Students can also become involved by serving on ASO and AVC committees or joining a club. ASO provides a number of services for students with the purchase of an ASO sticker such as tutoring, free admission to all home athletic events (except post season, tournaments and playoffs), discount tickets to many Southern California amusement/theme parks and other campus programs and activities.

### **Student Clubs and Organizations**

All registered students are eligible for membership in AVC clubs and organizations of their choice. Students are encouraged to form additional organizations to meet their needs and interests. All new clubs and organizations are a part of the InterClub Council (ICC) after approval from the Board of Trustees. Having a minimum of 10 students, a faculty advisor and completing the necessary paperwork is all that is needed to begin. The Student Development and College Activities Office assists all clubs in processing paperwork and in maintaining all the club's financial records and banking needs.

### **Student Activities**

Student Activities Council (SAC) is a student-run programming group of the Student Development and College Activities Office. Students who want to be a part of planning campus-wide activities are encouraged to join. New ideas are welcome. Through SAC, students interact with campus clubs, organizations and offices to provide social, cultural, educational and recreational opportunities for students.

Additional questions or information about eligibility and qualifications for any of the services listed may be obtained in the Student Development and College Activities Office located in SSV 180.
