

AP&P Agenda

Thursday, November 10, 2022 3:00 pm - 5:30 pm via **Zoom**

Type of Meeting: Regular Note Taker: Debbie Lindsey

Please Review/Bring: The past minutes for accuracy.

Committee Members:

Dr. Scott Lee, Co-chair

Dr. Howard Davis, Co-chair, Vice President of Academic Affairs

Dr. Jessica Eaton, Articulation Officer
Tim Atkerson, AKIN Representative
Travis Lee, CTE Representative
Wendy Stout, CTE Representative
James Dorn, MSE Representative
Richard Biritwum, MSE Representative
Heidi Williams, LACA Representative
Dr. Ariel Tumbaga, LACA Representative
Gabby Poorman, SBS Representative
David Harrison, SBS Representative

Cynthia Littlefield, AHUM Representative
Glen Knowles, AHUM Representative
Van Rider, Library Rep, Librarian
Luis Echeverria, Student Services, Counseling
Tanya McGinnis, Student Services, Counseling
Larry Veres, Adjunct Representative
Greg Bormann, Administrative Position
Kathryn Mitchell, Administrative Position
LaDonna Trimble, Administrative Position
Cindy Hendrix, Outcomes Representative
Ronda Nogales, Outcomes Representative
Oswaldo Gavidia, Student Representative

*Absent

	Items	Person	Action
I.	Opening comments from the Co-chair	Scott Lee/Howard Davis	Meeting was called to order at 3:01pm Permission to record the meeting was granted. The next meeting should not be as long because there was a good response on course revisions. You will continue to receive reminders to check your courses.
II.	Minutes 10/13/2022	All	Motion to approve: Minutes for 10/13/2022 Motion Second Motion approved Abstained: Ronda Nogales

2/23/23, 3/23/23, 4/1 - Online Catalog - Discontinuance follow - Agriculture cou - Pending programs - Automotive Colli	vup urses/programs ision Repair and Refinishing ssion & Electrical (All /Cert Education AS-T	Scott Lee Howard Davis Howard Davis Scott Lee	Informational Items: Dr. Lee said the date on the agenda for an additional meeting was incorrect. The correct date is 12/1/22, not 12/8/22. We are doing well, so we may not need the additional meeting. Online Catalog: Dr. Howard Davis shared that we will be converting to an online catalog and will also print out hard copy catalogs until that need no longer exists. The intent is to have both available. Discontinuance follow-up: Dr. Davis addressed Agriculture discontinuance last spring. He said that we need to keep a couple of courses as Independent Study for two students that need to complete their degrees. We will reactivate the program and certificates needed for these students. Pending Programs: There are still four programs that need to be updated for the catalog addendum. These programs need to be repaired and at this point are in jeopardy of not making the addendum in time for Fall 2023. Dr. Lee asked what the consequence would be? Debbie Lindsey responded that if not corrected, they will not be available until Fall 2024. These need to be fixed before the last scheduled AP&P meeting. Contact Dr. Lee for more information regarding these 4 programs.
11/18/22, 01/2 03/03/23, 04/2 06/16/23*	ve Limits Ortium Meetings: 20/23, 02/17/23, 20/23, 05/12/23, aded documents	Scott Lee Scott Lee	Division Representative Limits: Do we want to allow everyone to have a third representative? The committee will need to decide. MSE has asked about having a third representative. Do we want to allow them to have a third representative? Do we want everyone to have a third representative or do we want to decide on a case by case basis? The positive is that more representatives are available to approve everything.

The negative is the challenge to meet quorum.

V. Reports		Comment: James Dorn said he has three Chairs in his division and it's easier to have one representative per Chair. Comment: Travis Lee said that CTE is in the same boat and would benefit from having a third representative. Comment: Dr. Davis said that it's a slippery slope. Division meetings are to relay information. It could be a potential problem meeting quorum and participation. He sees it as a potential problem. Comment: Kathryn Mitchell agreed. She understands the representation issue, but It's difficult to meet quorum. AP&P is already huge. Dr Lee agreed that it is a large risk that needs to be understood by everyone. Comment: James Dorn said that we have proxies for that and if a representative cannot show up, they should appoint their proxy. Comment: Kathryn Mithcell said that they don't always show up. It's also hard to find proxies. Dr. Lee said that one failure has a ripple effect that is massive. We are not deciding today. Please get feedback from your departments. Send an email and get feedback from as many faculty as possible. This is a big decision. Be prepared to vote on 11/10/22. This will be an action item at our next meeting. New CTE Programs: Dr. Lee reminded everyone that new/modified CTE programs have to go through Consortium for approvals. This cannot be done at the last minute. Be aware of Consortium meetings and submit the programs in time to get feedback. If you haven't received approval at this point, it is unlikely that you will be able to get this done for Fall 2023. It has to be completed before the AP&P meeting. It's important that everyone understands the process and is aware of it.
VI. Action - Additional Meeting 12/8/22	Scott Lee	Action taken: Motion to approve additional meeting for 12/1/22. This will overlap with the Senate Committee meeting. Motion approved

Motion second

Comment: Robyn questioned the hours, which were 0 units.

Comment: Carlos Pinho said it was 1 to 4 hours.

Robyn shared her screen to review.

Dr. Lee said there are 14 hours in the class for the lab, so it doesn't require out of class hours because it is a lab.

Heidi Williams: Activity hours for math are different because it's like a lecture/lab. She doesn't think it is activity hours.

Gabby recommended confirming with Kyle Jacobson.

Dr. Lee recommended looking at another Work Experience course.

Robyn said that the Work Experience classes are all set up differently.

Carlos said that it is predetermined by Kyle.

Dr Lee will also research the hours.

Motion tabled until 11/10/22. Carlos will confirm details of hours with Kyle and bring it back on 11/10/22.

Question: Heidi Williams inquired about the prerequisite/corequisite section of eLumen. Some instructors were including the corequisite language in the prerequisite box. Is that correct or do they need to be separated?

LaDonna: In the system, it will ask the student if they have the prerequisite and then it will ask if they have the corequisite. So it's important that it is very clear to Academic Affairs in order for it to be set up properly.

Gabby: language for BIP 120, 121, 122, 123, 124, 130, 131, 132 and 133 that should have that language. Debbie was able to insert the language in the course description. BIP 100 shouldn't have that language.

Comment: Luis Echeverria said that this language is how it should read.

VI. Closing Comments	Scott Lee	Drafting/Computer Aided Dsgn Cert Drafting/Computer Aided Dsgn AS Motion second Motion approved Amended Program Motion to approve: Registered Nursing AS Motion second Comment: Luis Echeverria asked why it was amended. Comment: Robyn said that Comm 112 was removed and then replaced with a C1 selection, but it was supposed to be a C selection from Humanities CSU. Requirement for Area C is now in there. Robyn confirmed that it will be in the amendment for the catalog. They will speak with counselors regarding units to be 3 units not 1-3. Motion approved Dr. Lee said that we may need the 12/1/22 meeting to complete everything. He thanked everyone for agreeing to the meeting and asked to please add it to their calendar. Robyn Serrano wanted to let everyone know that there are 164 courses and 53 programs left to be reviewed in the workflows. Luis Echeverria said that he feels he should get more programs and he emphasized that when
		there are 164 courses and 53 programs left to be reviewed in the workflows. Luis Echeverria said that he feels he should get
		Dr. Lee said that there may not be as many programs because there were so many programs last year.
