

ANTELOPE VALLEY COLLEGE

Do you know what is on the Math Assessment test?

Did you know that more than 60% of AVC students are placed in beginning Math?

Be prepared—not surprised—when you take the Math Assessment test.

**Be Smart,
Be Ready,
Think PAWs-itive**

Attend one of the following today:

Pre-Assessment Workshops (PAWs)

Quick facts about the Math Assessment Test:

- Students don't think the test is important.
- Students typically don't prepare for the test.
- Failing to do well on the test may delay your graduation/transfer.
- Doing well on the test will save you time and money.

Why PAWs?

These **FREE** workshops are intended to be a math refresher to prepare students to do well on the Math Assessment Test and pave the way for a great start at AVC.

Workshops feature:

- Face-to-face sessions
- Review of Arithmetic, Pre-Algebra, Algebra, and Geometry
- Individualized computerized tutorials
