Items	Person	Action
I. Opening comments from the Co-chairs	<i>Scott Lee/Nate Dillon and Riley Dwyer for Kathy Bakhit</i>	The meeting was called to order at 3:05p.m. Scott reported that the first Tech Review meeting worked out very well. He emphasized that it's important to be there for the meetings because errors can be fixed and any questions can be answered. There was a faculty member that was not at the meeting and their review was pushed back another two weeks. Scott will notify the faculty and the AP&P Representative before the meeting. Please be present. There was discussion about the time being difficult for some faculty to make. Scott will see if it can be pushed back to a later time.
II. Minutes 8/24/2023	<i>All</i>	Action Taken Motion to approve: Minutes for 8/24/23

Academic Policies & Procedures

		<p>Motion second Abstention: Audrey Moore Motion approved</p>
<p>III. Informational Item</p> <ul style="list-style-type: none"> - Meeting schedule: 9/28/23, 10/12/23, 10/26/23, 11/9/23, 11/30/23, 1/25/24, 2/8/24, 2/22/24, 3/14/24, 3/28/24, 4/11/24, 4/25/24 - Work Experience updates - AP&P Annual Training, Canvas - AB1111 Update - Courses/Programs reviewed by Tech Review Workgroup 	<p><i>Scott Lee</i></p>	<p>Informational Items</p> <p>Work Experience Updates: Scott said that we need people to write the Work Experience CORs, specific for their discipline. We will have to keep WE 199 because there are programs attached to it, which will not allow us to deactivate WE 199 this semester. We need to meet the requirements for legislation compliance. Everyone needs to revise their 199 courses as there are new requirements. The summary of changes were attached in the last agenda packet. For example, hours have changed; 54 hours now equal one unit. All substantial program changes for CTE now need to go through the Regional Consortium. Programs need to be revised this semester in order to be ready for Fall 2024, which will be difficult. Scott said that he is having an implementation issue to meet the deadline of September 30th. He will write something up and send it out next week regarding these changes. Please let faculty know that dramatic changes are coming.</p> <p>AP&P Annual Training, Canvas: Scott forgot to mention eLumen training in Canvas at the last meeting. Canvas has been updated to meet the changes that have taken place in eLumen. This will help everyone in AP&P to understand those changes. He encouraged everyone to review it. For additional information, they can also refer to the resource page on the website and the Technical Training section in Canvas. Please share this with other faculty. If you have questions, you can reach out to Scott or the Curriculum Specialists.</p> <p>AB1111 Update: There was a large meeting. The change is not coming in 2024. The plan is that the legislature will try to move it back to 2027, so expect that it will need to be implemented sometime between 2025 and 2027.</p>

Academic Policies & Procedures

		<p>Courses/Programs reviewed by Tech Review Workgroup: The Tech Review Workgroup met. Scott sent a memo with a list of courses and programs that were reviewed. The workgroup is now requesting and recommending that the AP&P Committee approve the courses/programs that were reviewed on the list.</p>
<p>IV. Discussion</p> <ul style="list-style-type: none"> - Committee Goals - Cyclical Review <ul style="list-style-type: none"> - Credit by Exam - AP - CLEP - IB (adding to catalog) 	<p><i>Scott Lee/ Jessica</i></p>	<p>Discussion</p> <p>Committee Goals: The goals were displayed for review: #1 is on track. #2 We need to figure out what works and what doesn't work and we will need to make changes as necessary. #3 We need to focus on Work Experience courses. This needs to be updated and is a priority. Scott asked if there was anything else to add. He will definitely change the wording on #3. Maybe goal #4 will be another handbook update will be needed based on changes from in the spring. He will send out the language to everyone and it will be an action item at the next meeting.</p> <p>Follow-up: #4 will be an action item on the next agenda.</p> <p>Cyclical Review: AP, CLEP, and IB information is attached to the agenda. Please review and discuss these with faculty to see if there is anything that needs to be removed or added. Please make this a conversation at your division meeting. This will be brought back at the next meeting.</p> <p>Follow-up: This will be an action item on the next agenda.</p>
<p>V. Reports</p> <ul style="list-style-type: none"> - C-ID Courses - UC TCA Courses - Local GE approved courses 2023-24 		<p>Reports C-ID Courses, UC TCA Courses, and Local GE approved courses for 2023-2024 have been tabled until the next meeting.</p>
<p>VI. Catalog</p> <ul style="list-style-type: none"> - 		<p>Catalog Noncredit - Robyn Serrano reported that we did a quick fix to get the catalog finalized. The quick fix was putting "Noncredit" in the title of the program. However, we are thinking about how this will be represented in the long term. Please</p>

Scott recommends using 900 numbers for noncredit. The state is leaning toward four digit numbers, such as 9000. It would be an easier to transition from 900 to 9000. At some point, we will need to go through all of the courses to renumber them. Comment: Wendy Stout said that we already have some courses in place. Scott said that we will need to find out what the process will be for legacy courses. Comment: Heidi Williams said that she is currently working on a revision and asked if she can change the number now. Scott said that as long as it starts with 900, it will be fine to change now. Comment: Wendy Stout said she is currently working on a noncredit <i>Basic Life Support</i> program and she is not sure what discipline to set it up under. There is a wide variety of students that will need this. It used to be Community Ed. Scott said to be sure it's under something that you have the ability to develop courses under and not outside of your district. He said that it will not have an effect for AP&P, as long as it is within your discipline. Older course numbering will be discussed in the future. Scott will explore using "NC" after the course number. Motion approved</p> <p>Motion to approve: 2023-2024 AP&P Handbook Motion second Scott said that we will need to make additional changes in spring, as fall will have an effect on what needs to be updated. PETITION FOR CREDIT BY EXAMINATION
INFORMATION, CONDITIONS AND RESTRICTIONS

INFORMATION:

A currently enrolled student may challenge certain courses offered by the College for any of the following purposes:

- Satisfying prerequisites.
- Meeting graduation unit requirements.
- Obtaining course credit for equivalent experience or competency.

Students **MAY NOT** be registered for the course being challenged.

Students may be permitted to obtain credit by examination in selected subjects designated by a division in which the course is taught. A fee is charged for each examination. Students must be qualified to challenge a course by examination through satisfaction of prerequisites for the course or previous experience or training. The grade and credits received after satisfactory completion of examinations will be entered on the student's permanent record. The student's academic record shall be clearly annotated to reflect that the credit was earned by examination.

The results of the examination will be entered on the student's record. At the time a request is submitted, students must indicate whether they wish a letter grade, or a grade of "Pass/No Pass" (if allowed).

One year must elapse before a request for re-examination will be considered.

CONDITIONS AND RESTRICTIONS:

1. Students must be currently enrolled at AVC.
2. Students must submit challenge forms within the first four weeks of the semester.
3. Students challenging a course must complete the examination by Friday of the seventh week of the semester.
4. Students may challenge a maximum of four courses during their enrollment at AVC.
5. Challenge forms are available only in the fall and spring semesters. Summer forms are available only with the written permission of the instructor.
6. The units received by examination may not be used to satisfy the college's residency requirements.
7. Credit received is not applicable for financial aid, veteran's pay, or athletic eligibility.

CREDIT BY EXAMINATION COURSE LIST

**PETITION FOR CREDIT BY EXAMINATION
REQUEST PROCEDURE**

PROCEDURE:

1. Students requesting credit by examination must be currently registered at AVC and actively participating in course(s). Students MAY NOT be enrolled in the course they are challenging.
2. A student wishing to challenge a course must submit the completed Petition for Credit by Examination form to Admission and Records within the first four weeks of the semester. The form shall indicate if the course is to be challenged for grade or "Pass/No Pass".
3. Students whose form has been approved by Admissions & Records will be required to pay the current per-unit enrollment fee to the Cashier's Office.
4. The student then submits the form to the appropriate Division Dean and instructor for approval. It is the student's responsibility to make the necessary arrangements with the instructor.
5. The student should request a copy of the completed Petition for Credit by Examination form from the Division.
6. The form is forwarded to Admissions & Records by the Division Office with the final grade.
7. The grade will be posted to the record at the end of the semester.
8. The student is notified that a change has been made to their academic record by email.
