What did your committee accomplish to further the College Mission?

Mission: Antelope Valley College, a public institution of higher education, provides a quality, comprehensive education to a diverse population of learners. We are committed to student success offering value and opportunity, in service to our community.

Accomplishments: Programs have been improved in order to offer more opportunities for career training to prepare students for jobs in our community.

What did your committee accomplish to further the 2014/15 College Goals?

Goal 1: The college will increase student success in Basic Skills and ESL courses.

Accomplishments:

Goal 2: The college will provide students with an environment which supports learning and facilitates student success.

Accomplishments: Additional equipment and supplies provided more hands-on training for students to facilitate their success.

Goal 3: The college will expand and diversify Career Technical Education options for students.

Accomplishments: Improvements in instructional equipment and supplies will offer students more options to work in local industries such as BYD, Kinkisharyo, Morton Manufacturing, Northrop Grumman Corp., The Spaceship Company, and health care. Students are also more prepared to be small business owners in the air conditioning/refrigeration business, auto body shops, landscape management, and commercial photography.

What issues do you foresee your committee working through in the upcoming year?

Distribution of funding throughout the CTE programs in the college.

Recommendations for change in membership or function:

The Perkins fund was audited in June 2014. As a result of the audit, there was a recommendation to diversify the membership of the LPT. As a result, more members from the community were added this year and additional training was offered for committee members.
