

HANDICAPPED PARKING

AVC has handicapped parking available for students who possess the DMV placard or who have handicapped license plates. Students will still need to purchase a semester parking pass, or a daily parking permit to park on our campus. You are permitted to park in the blue handicapped parking spaces or green staff parking spaces. Remember that you must display the student parking permit, along with your handicapped placard to park in handicapped or staff parking spaces. OSD does have DMV forms you can take to your doctor so you can obtain the placard.

The following are California state regulations regarding handicapped parking for community colleges. They are from paragraph (d), Section 54100, Subchapter 2, Chapter 5 of Division VI of Title 5 of the California Code of Regulations:
