

ABOUT THIS MAJOR

Students who complete the associate degree have enhanced employability in the field of Early Childhood and School-Aged Child Care. Students are well prepared with an in-depth understanding, hands-on experience, and principles of Early childhood and School-Age child development. The associate degree will also provide students with a broad range of knowledge with which to evaluate the learning environment and analyze the dynamics of teaching in child care settings. For more information, visit the [Social and Behavioral Sciences](#) division.
