

26 -27 Cert. Music Technology, Production, & Management (MTPM)

ABOUT THIS MAJOR

The Associate in Arts in Music Industry Studies is designed to prepare students for careers upon graduation to perform as instrumentalists and vocalists, to work as classified or private music educators, to write music (popular, concert, or for media), or to produce live and/or recorded music.

Students are trained in a breadth of musical concepts, including theory, musicianship, piano, music technology, and music history. Additionally, students choose an emphasis in performance and education, composition and songwriting, or technology, production, and management. For more information, visit the [Arts & Humanities](#) division.
