

AVC's Institutional Learning Outcomes (ILOs)

Additional insights to student learning are found in the student responses to four custom questions inserted into the Revealing Institutional Strengths and Challenges (RISC) survey, which the College administered in spring 2021, 2022, and 2023 for the indirect assessment of ILOs.

ILO 1. Communication

- Demonstrates analytical reading and writing skills including research, quantitative and qualitative evaluation and synthesis.
- Demonstrates listening and speaking skills that result in focused and coherent communications.

91% of students say that AVC classes helped *“very much/some”* with their **communication skills**.

RISC Question: How much do your AVC classes help you with your communication skills e.g. reading, writing, listening, and public speaking
(2021 N = 1,544 | 2022 N = 1,210 | 2023 N = 1,298)

ILO 2. Creative, Critical, and Analytical Thinking

- Uses intellectual curiosity, judgment and analytical decision-making in the acquisition, integration and application of knowledge and skills.
- Solves problems utilizing technology, quantitative and qualitative information and mathematical concepts.
- Demonstrates information literacy by locating, evaluating, and ethically using information from diverse sources, and employing proper citation formats.

In 2023, **91%** of students said that AVC classes helped *“very much/some”* with their **creative, critical, and analytical thinking skills**.

RISC Question: How much do your AVC classes help you with your creative, critical, and analytical thinking, e.g., problem-solving, technology skills?
(2021 N = 1,544 | 2022 N = 1,210 | 2023 N = 1,298)

ILO 3. Community/Global Consciousness

- Understands and applies personal concepts of integrity, ethics, self-esteem, lifelong learning, while contributing to the well-being of society and the environment.
- Demonstrates an awareness and respect of the values of diversity, complexity, aesthetics, and varied cultural expressions.

In 2023, **87%** of students said that AVC classes helped “**very much/some**” with encouraging **community consciousness** (integrity, awareness, and respect of diversity).

RISC Question: How much do your AVC classes help you with encouraging community consciousness e.g. integrity, awareness, and respect of diversity?
(2021 N = 1,544 | 2022 N = 1,210 | 2023 N = 1,298)

ILO 4. Career and Specialized Knowledge

- Demonstrates knowledge, skills and abilities related to student educational goals, including career, transfer and personal enrichment.

In 2023, **91% (+1%)** of students said that AVC classes helped “**very much/some**” with **career & specialized knowledge skills** related to their educational goals.

RISC Question: How much do your AVC classes help you with career and specialized knowledge skills related to your educational goals?
(2021 N = 1,544 | 2022 N = 1,210 | 2023 N = 1,298)
