

# 26-27 AERO to AFMT

## ABOUT THIS MAJOR

The Airframe Manufacturing Technology baccalaureate degree builds off of two existing high quality, successful programs that have provided well trained employees to meet the needs in our communities for many years. By expanding these programs to include the opportunity to earn a baccalaureate degree, Antelope Valley College will now fill the need of local employers for a highly skilled lead worker in the same field and will provide a valuable opportunity for both our students and our community. The Airframe Manufacturing Technology program will include courses in disciplines in which Antelope Valley College already offers degrees and certificates: Aircraft Fabrication and Assembly and Aviation Airframe. Entrance into the baccalaureate courses will require graduation from or substantial completion of one of those programs prior to admission to upper division courses. Note: All courses designated as an upper division major requirement must be completed with a minimum grade of "C" (or "P") for each course in the major. visit the [Aerospace, Industrial Arts and Applied Technologies \(CTE\)](#) division.

### To meet current eligibility for AFMT must complete the following:

- [1] Aircraft Fabrication & Assembly Technician associate degree course sequence
- [2] General Education Requirements listed below

**Current Eligibility for the AFMT Program:**

- Completion of the Aircraft Fabrication & Assembly Technician (AFAB) or Aeronautical and Aviation Technology (AERO) associate degree course sequence.
- Completion of the general education/lower-division prerequisites listed in the table below.
- A minimum GPA of 3.0 in all AFAB/AERO courses and 3.0 in all college courses taken for credit (overall GPA).

**Eligibility for Declaring or Changing to AFMT Major**

Students are not eligible to change their major to AFMT without first being formally admitted to the program. The application process and selection procedure are listed in the next section.

Any requests to declare or change a major to AFMT prior to program admission will not be granted. Once admitted, the division office will collect the required form from the student and submit it for processing.

**Application Process:**

Applicants seeking admission to the AFMT program must follow the instructions outlined below. All required forms are available under the [Program Forms and Documents](#) section at the bottom of the page.

Beginning with the upcoming 2026 application cycle, AFMT applications can be submitted online. Starting May 26, applicants should complete the online [Application for Enrollment](#) form. For online applications, follow the instructions on the online form. Hard-copy applications will continue to be accepted during the transition.

1. Complete an Application for Enrollment form.
2. Complete the AFMT Rubric - Student Questionnaire form.
3. Attach official college transcripts for all post-secondary institutions attended, including Antelope Valley College. If you have Advanced Placement (AP) credits, an official AP Score Report must be on file with the AVC transcript office. "Official" college transcripts must be submitted in a sealed envelope that has not been opened by the student.
  - One set of transcripts is to be turned in with your application, and one set must also be on file with the AVC transcript office.
4. Attach a copy of your updated Education Plan completed by one of the listed AVC Counselors or Advisors assigned to the AFMT program (see list below). Appointments should only be made with the assigned personnel listed below. Appointments can be made through email at [counseling@avc.edu](mailto:counseling@avc.edu) or by calling (661) 722-6300 ext. 6338. Request to meet with one of the following:
  - Monica Carreon
  - Rod Schilling \*

\*Approved to evaluate transcripts from other institutions.

5. Submit items 1 through 4 to the Aerospace, Industrial Arts, & Applied Technologies division office, Enterprise Lab, Room 136. Items 1 through 4 are considered your "application packet". You may also mail your application packet to: Antelope Valley College, Attn: Rosie Heasley, 3041 W. Avenue K, Lancaster, CA 93536. An after-hours drop box is located outside of EL-136 for application submissions; however, late applications will not be considered for admission.

Students are notified of their admission status via their AVC student email. Notices are sent approximately 4-5 weeks after the deadline has closed.

**Selection Procedure**

Beginning summer 2024, student eligibility for admission to the program will be determined by multi-screening criteria. Applications will be ranked based on their scholastic eligibility. Scholastic eligibility is determined by the multi-screening criteria listed below under Program Forms and Documents - Application Rubric. Students are advised of eligibility to enroll in the AFMT program by electronic mail. Incomplete packets will not be considered. Students not admitted need to reapply the following year.
