

26-27 AFAB to AFMT

ABOUT THIS MAJOR

The Airframe Manufacturing Technology baccalaureate degree builds off of two existing high quality, successful programs that have provided well trained employees to meet the needs in our communities for many years. By expanding these programs to include the opportunity to earn a baccalaureate degree, Antelope Valley College will now fill the need of local employers for a highly skilled lead worker in the same field and will provide a valuable opportunity for both our students and our community. The Airframe Manufacturing Technology program will include courses in disciplines in which Antelope Valley College already offers degrees and certificates: Aircraft Fabrication and Assembly and Aviation Airframe. Entrance into the baccalaureate courses will require graduation from or substantial completion of one of those programs prior to admission to upper division courses. Note: All courses designated as an upper division major requirement must be completed with a minimum grade of "C" (or "P") for each course in the major. Visit the [Aerospace, Industrial Arts and Applied Technologies \(CTE\)](#) division.

To meet current eligibility for AFMT must complete the following:

- [1] Aircraft Fabrication & Assembly Technician associate degree course sequence
- [2] General Education Requirements listed below
- [3] A minimum GPA of 3.0 in all AFAB courses and 3.0 in all college course taken for credit (overall GPA)

AFAB to AFMT BS (total units 125.5)

Minimum Eligibility Requirements for AFMT Program:

- Completion of the Aircraft Fabrication & Assembly Technician (AFAB) or Aeronautical and Aviation Technology (AERO) associate degree course sequence.
- Completion of the general education/lower-division prerequisites listed in the table below.
- A minimum GPA of 3.0 in all AFAB/AERO courses and 3.0 in all college courses taken for credit (overall GPA).

AFAB OPTION : Complete ALL courses (total 18 UNITS)	
AFAB110 - Introduction to Aircraft Structures, Blueprints, and Manufacturing Documentation	3
AFAB115 - Aircraft Structures	8
AFAB120 - Composites Fabrication and Repair	7

Program Prerequisites, Complete ALL courses (32 units)	
AFAB130 - Aerospace Ethics and Issues	4
AFAB210 - Aircraft Production Systems	4
CHEM101 - Introductory Chemistry	5
COMM C1000/COMM C1000H- Introduction to Public Speaking	3
ENGL C1000/ENGL C1000H- Academic Reading and Writing	3
ENGL115 - Introduction to Technical Communication	3
PHYS101 - Introductory Physics	4
PSYC C1000/ PSYC C1000- Introduction to Psychology	3
MATH135 - Plane Trigonometry	3

General Education Required Courses (total 14 units)	
AVC GE Area 3: Arts & Humanities	3
AVC GE AREA 6: Ethnic Studies	3
AVC GE AREA 2: MATH150 - Calculus and Analytic Geometry	5
AVC GE AREA 4: POLSC1000 - American Government Politics	3

CAD Options - Choose one (Total 3)	
AM135B - 3D Solid Modeling I using Solidworks	3
OR	
ENGR140 - Engineering 3D Graphics	3

RECOMMENDED PATHWAY AFAB to AFMT B.S.

The Recommended Plan of Study is determined by the discipline faculty. Take classes in **Summer** or **Intersession** if needed to complete your degree in a timely manner!

Fall/Spring: Max 19 units | **Summer:** Max 9 units | **Intersession:** Max 6 units

Program Prerequisites

FALL 1	
Course	Units

ENGL 115	3
PSYCC1000	3
AVC GE AREA 6 : ETHNIC STUDIES	3
Total Units	13
Total Program Prerequisite Units	51-55.5

COUNSELING NOTE SECTION

Prerequisite: If a course is listed as a prerequisite for another course, that prerequisite course must be completed with a satisfactory grade to enroll in the next course. A satisfactory grade is a grade of "A," "B," "C" or "P". Students who enroll in classes for which they do not meet the prerequisites will be involuntarily dropped. Students will be notified of this involuntary drop. Title 5, Section 55200(d)

Application for Graduation:

Antelope Valley College awards degrees three times annually following the Fall, Spring, and summer semesters. Students must apply for graduation to earn their degree or certificate. Applications are due by **September 6** for spring/summer graduates and by **February 14** for fall graduates.

Current Eligibility for the AFMT Program:

- Completion of the Aircraft Fabrication & Assembly Technician (AFAB) or Aeronautical and Aviation Technology (AERO) associate degree course sequence.
- Completion of the general education/lower-division prerequisites listed in the table below.
- A minimum GPA of 3.0 in all AFAB/AERO courses and 3.0 in all college courses taken for credit (overall GPA).

Eligibility for Declaring or Changing to AFMT Major

Students are not eligible to change their major to AFMT without first being formally admitted to the program. The application process and selection procedure are listed in the next section.

Any requests to declare or change a major to AFMT prior to program admission will not be granted. Once admitted, the division office will collect the required form from the student and submit it for processing.

Application Process:

Applicants seeking admission to the AFMT program must follow the instructions outlined below. All required forms are available under the [Program Forms and Documents](#) section at the bottom of the page.

Beginning with the upcoming 2026 application cycle, AFMT applications can be submitted online. Starting May 26, applicants should complete the online [Application for Enrollment](#) form. For online applications, follow the instructions on the online form. Hard-copy applications will continue to be accepted during the transition.

1. Complete an Application for Enrollment form.
2. Complete the AFMT Rubric - Student Questionnaire form.
3. Attach official college transcripts for all post-secondary institutions attended, including Antelope Valley College. If you have Advanced Placement (AP) credits, an official AP Score Report must be on file with the AVC transcript office. "Official" college transcripts must be submitted in a sealed envelope that has not been opened by the student.
 - One set of transcripts is to be turned in with your application, and one set must also be on file with the AVC transcript office.
4. Attach a copy of your updated Education Plan completed by one of the listed AVC Counselors or Advisors assigned to the AFMT program (see list below). Appointments should only be made with the assigned personnel listed below. Appointments can be made through email at counseling@avc.edu or by calling (661) 722-6300 ext. 6338. Request to meet with one of the following:
 - Monica Carreon
 - Rod Schilling *

*Approved to evaluate transcripts from other institutions.

5. Submit items 1 through 4 to the Aerospace, Industrial Arts, & Applied Technologies division office, Enterprise Lab, Room 136. Items 1 through 4 are considered your "application packet". You may also mail your application packet to: Antelope Valley College, Attn: Rosie Heasley, 3041 W. Avenue K, Lancaster, CA 93536. An after-hours drop box is located outside of EL-136 for application submissions; however, late applications will not be considered for admission.

Students are notified of their admission status via their AVC student email. Notices are sent approximately 4-5 weeks after the deadline has closed.

Selection Procedure

Beginning summer 2024, student eligibility for admission to the program will be determined by multi-screening criteria. Applications will be ranked based on their scholastic eligibility. Scholastic eligibility is determined by the multi-screening criteria listed below under Program Forms and Documents - Application Rubric. Students are advised of eligibility to enroll in the AFMT program by electronic mail. Incomplete packets will not be considered. Students not admitted need to reapply the following year.

For additional and up to date information visit the AFMT website: <https://www.avc.edu/program/afmt>
