

ANTELOPE VALLEY COLLEGE
Career Technical Education Division
3041 West Avenue K, Lancaster, CA 93536

Application packets will be accepted beginning May 29, 2017. The deadline is June 29, 2017.

Only complete application packets will be considered.

**Application for Enrollment in the
Airframe Manufacturing Technology Program
Baccalaureate Degree – 1st Year Track**

All students wanting to enroll in the Airframe Manufacturing Technology Program (Freshman Year), should follow these instructions.

Prerequisites for the Airframe Manufacturing Technology Program (AFMT), baccalaureate degree: Completion of the following Aircraft Fabrication & Assembly Technician (AFAB) courses.

- AFAB 110 – Basic Blueprint Interpretation
- AFAB 115 – Aircraft Structures
- AFAB 120 – Composites Fabrication & Repair
- AFAB 130 – Aerospace Ethics and Issues

Students must have a 2.8 minimum GPA in all AFAB courses and a 2.5 minimum GPA in all college classes taken for credit (overall GPA).

1. Complete the matriculation process.
2. Declare major as: Aircraft Fabrication & Assembly Technician – Associate Degree.
3. Fill out the form attached to these instructions.

NOTE: You are responsible for notifying the Career Technical Education Division office when you change your address or telephone number. Please call 661-722-6300, extension 6327, to do this.

4. Attach official college transcripts (including Antelope Valley College) that show completion of the prerequisite courses. One set of college transcripts must also be on file in the Admissions and Records Office.

“Official” college transcripts must be submitted in sealed envelopes that have not been opened by the student.

5. Attach a copy of the Educational Planning and Evaluation Form completed by an AVC counselor. Call 661-722-6300, extension 6338, to schedule an appointment with a BS Degree designated counselor. **Be sure you inform the information desk that you are requesting an appointment regarding the BS Degree.** The form should be completed no more than one semester prior to submitting the application packet. All students must see an AVC counselor before they submit an admission packet. Counselors complete Educational Planning and Evaluation Forms by appointment only.
6. Submit all items listed to the Career Technical Education Division office (TE7-129, Technology Building). Please call the division office at (661) 722-6300 ext. 6327 for drop off hours. Application packets may also be mailed.

Application packets are accepted during the designated application period only. Students will be selected for enrollment into the program on a first-come, first-served basis. Students will be advised of acceptance or non-acceptance by mail. Only official documents will be accepted. Faxed documents are not official and are not accepted. INCOMPLETE PACKETS WILL NOT BE CONSIDERED.

The Antelope Valley College Airframe Manufacturing Technology Program is approved by the California Community College Chancellor's Office.

NOTE: The aerospace industries generally requires employment applicants to pass a background check and drug screening. Employment is often subject to the applicant's ability to receive a security clearance from the Department of Defense (DOD).

Antelope Valley College prohibits discrimination and harassment based on sex, gender, race, color, religion, national origin or ancestry, age, disability, marital status, sexual orientation, cancer-related medical condition, or genetic predisposition. Upon request, we will consider reasonable accommodation to permit individuals with protected disabilities to (a) complete the employment or admission process, (b) perform essential job functions, (c) enjoy benefits and privileges of similarly-situated individuals without disabilities, and (d) participate in instruction, programs, services, activities, or events.
