Name: Qiana Brown

Department/Division: Counseling / Student Services

Candidate Statement:

I am interested in serving as an Adjunct Representative for the Academic Senate because I am deeply committed to advocating for both students and faculty. As an adjunct counselor with experience supporting diverse student populations through programs such as EOPS, TRIO/STAR, CalWORKs, and Rising Scholars, I understand the critical role adjunct faculty play and have also previously served on the academic senate and ASCCC Liaison in student success and institutional effectiveness.

If selected, I will actively represent the voices, concerns, and perspectives of adjunct faculty by maintaining open communication, encouraging engagement, and ensuring that adjunct perspectives are included in academic and professional matters. I am committed to attending all meetings, staying informed, and thoughtfully contributing to discussions and decisions that impact our college community.

I value collaboration, equity, and student-centered practices, and I look forward to contributing to the continued growth and success of Antelope Valley College through shared governance and meaningful participation.

Thank you for your time and consideration.

Best regards,

Qiana Brown
