

**Antelope Valley College
Wildland Firefighter Academy 2020
Application Check list**

All applicants due to the spread of COVID-19 the application process has been updated. Please make sure to read all instruction carefully to assist in the completion of your application. The following check list has been created to provide to ease your application process. The Wildland Fire fighter Academy application can be found at <https://www.avc.edu/academics/firetech>

- Watch the Informational video
- Watch Classroom and Beyond Video (top of FTEC website)
- Completed Application
- Completed Medical Examination
- Convert both to PDF (save as your name for file name)
- Send completed Application and Medical examination to mhutchison@avc.edu before;

Midnight on May 16th

- Pay Fees for Uniforms Mr. Hutchison via PayPal, **OR** Venmo.

Please use the payment information on the next page to send the money for your uniforms. Be advised if your application is not linked to your bank account you will be charged a fee for the transfer. In addition please attach your uniform order in the notes section to ensure you are ordering the correct size and quantity of uniforms. If you are NOT selected for the academy your money will be refunded to you.

To convert your application to a PDF you can scan your application and medical examination then save as a PDF, or if you do not have a scanner you can use an app on your mobile device such as Microsoft Lens to take pictures and save as a PDF. I highly recommend not waiting to get your boots for the summer academy, they take a very long time to break in. As stated acceptance letters will be sent out through the mail (snail- mail) with instructions on how to register. Therefore, please ensure you have a correct and accurate mailing address on your application.

This application process will continue under the assumption summer session will return to normal and will be held on campus. In the event we are still under social distancing protocols in May/June the academy Cadre will select the most appropriate course of action, considering the recommendations at the time. Best of luck to all applicants and as always all questions can be sent to mhutchison@avc.edu.

Thank you,
Mr. Hutchison, AVC Wildland Firefighter Academy Lead.
