6. **COMMENTS:** Leave blank.

Noting "AP" in the **Attention to** field prompts Purchasing to send a copy of the PO directly to AP; the PO will **NOT** be sent to the vendor if "AP" is noted. Here are some examples:

Attention To: D. Morgan, A154, Vendor

3. **DELIVERY DATE:** The **Delivery Date** should be a date that is at least 3 weeks from the **Order Date** to allow adequate time for approvals, processing, and delivery.

The screenshot shows the 'Requisition Entry: REQUESTOR/DELIVERY' form. The 'Order Date' is set to 07/01/2022, the 'Transaction Date' is set to 07/01/2022, and the 'Delivery Date' is set to 08/01/2022. These three date fields are circled in orange. The screenshot shows the 'ACCOUNTING' table with columns: Sequence, COA, Year, Index, Fund, Orgn, Acct, Prog, Actv, Locn, Proj, NSF Override, and NSF Suspense. The 'Year' field is circled in orange and contains the value 23. The 'Fund' field contains 00000, 'Orgn' contains 14020, and 'Acct' contains 4500. The 'Prog' field contains 677000. 5. **IN PROCESS:** Until Purchasing notifies the District that Future Fiscal Year Requisitions can be Completed (sometime at the end of June), the **In Process** button will need to be selected. After this notification is sent out, all Requisitions can be Completed.

CREATING & MAINTAINING REQUISITIONS

Appendix D – Copying a Requisition in FPAREQN

When creating a requisition, you may find it convenient to copy a requisition you created at an earlier date. For instance, if you have some standard supplies you buy several times each year, you can copy an older requisition, change a few fields and complete the requisition.

1. In Banner SSB (myAVC), navigate to **View Documents** and bring up the PO of the REQ you want to copy.
2. Navigate to FPAREQN.

3. Click on the **Copy** button. This opens the Copy dialog box.
4. Enter the Requisition number you want to copy and hit enter.
5. Banner will display the vendor name for verification. Click the **OK** button to open the new copy of the requisition.

Banner will display all previous information except the order and transaction date will reflect the current date and the delivery date field will be blank.

6. Enter a new date in the Delivery Date field.
7. Proceed through the information blocks as you did previously, changing information as necessary. **Because buyers will make changes on the PO, you must bring up the PO of the REQ your copying in myAVC and update the necessary information including document text, item text, commodity, etc.**
8. Complete or put the requisition In Process on the Balancing/Completion block.
