

Business Administration 2.0 for Transfer (AS-T) 25-26

ABOUT THIS MAJOR

The Associate in Science in Business Administration 2.0 for Transfer (AS-T Business Administration 2.0) degree provides students with an entry-level understanding of business, accounting, and

economics. Students will recognize and respond to changing economic conditions within the business environment that determine how goods and services are produced, distributed, and consumed in a society. This coursework will satisfy the lower-division business administration requirements at the California State University but do not exclude admittance to other colleges or universities.

For more information, visit the Social and Behavioral Sciences division.
