## MINUTES

Items	Person(s) Responsible	Time	Action
-------	--------------------------	------	--------

### APPROVAL OF AGENDA AND MINUTES & REPORT:

- I. Approval of Minutes of October 9, 2024. The minutes were approved as presented.
- II. Administrative Changes at AVC – **Jennifer** stated that the college is going in a different direction with Legal Counsel, and it is being recommended to the Board that Bridget Cook’s employment contract, not be renewed. She stated that all Subpoenas that are related to the institution, and not personal, would go through the President’s Office. **Pamela** stated that she was confused, the discontinuance of programs or layoffs has a process. Jennifer stated that this is not a layoff and that it is the nature of the job, as an Educational Administrator, that there is a term to the contract. She thanked Hal and Kathy for finalizing the faculty prioritization list, and that it should be ready by the end of the week and in time for the upcoming hiring fair in January.
- III. Development of Office of Equity & Student Achievement – **Rebecca** provided an overview of her first 50 days in her position and is attached to these minutes.
- IV. Process for College Coordinating Council Addressing BP/APs – **Jennifer** handed out the draft of the BPs/APs Process, asked everyone to review it, and that at the next meeting, it would be finalized before placing it on the website.

### RETURNING ITEMS:

I. BP/AP 2205 – Internal Audit	Jennifer	2 minutes	Shami met with the Academic Senate to answer questions. <b>Shami</b> stated that the position has been modified, and in the past, the sole position was
--------------------------------	----------	--------------	---

			<p>dedicated to internal audit, that it was a 1 person function. <b>Jennifer</b> stated that in terms of the audit capacity, if an employee is doing the audit, then it truly is not independent, that the external auditor is independent, and that the internal audit does not serve that purpose. <b>Pamela</b> asked what was the concern. <b>Jason</b> stated that he did not understand the process, that he did not want anything to slip through, or that down the road it could be abused. <b>Pamela</b> stated that this came out of the fiscal independence and that accounting is sent to LACOE. <b>Jennifer</b> stated that the language is brief, and asked Jason if he felt better adding the strick through language of “advice and insight to reduce risk and improve operations.” It was agreed to go out to the group for review and that Shami would send the Fiscal document out as well. Upon approval of the group, it would move forward to the December 13<sup>th</sup> board meeting.</p>
<p>II. BP/AP 2360 – Minutes</p>	<p>Jennifer</p>	<p>2 minutes</p>	<p><b>Hal</b> stated that he likes the specificity in the minutes and that he is not in favor of taking out “the summary of discussions.” <b>Ashley</b> stated that if the summary of the discussion is taken out, it does not provide the history. There was discussion around personalizing public comments. <b>Pamela</b> stated that the public comments have always been summarized, so why change now? <b>Hal</b> stated that he did not like the language “without a summary of discussions” and that someone could submit their comments. <b>Veronica</b> stated that keeping public comments is important and that it is a good idea to submit a written summary. <b>Ashley</b> suggested that the comment card could be changed to include the comment. <b>Jason</b> stated that it is the tradition of the college to have the summary, that he has gone back to the minutes, and that the summary has been helpful. <b>Pamela</b> stated having the summary of the discussion maintains integrity and it could make</p>

			a difference in the accreditation process. It was agreed to include the language and to go to the December 13, 2024 board meeting.
III. BP 5510 – Off-Campus Student Organizations	Idania	2 minutes	It was agreed to bring back along with the AP for further review and discussion.

**Mission:** The Academic Policies & Procedures Committee (AP&P) is a standing committee of the Academic Senate. Its main responsibility is to oversee the development, review, renewal, and recommendation of curriculum to be approved by the Board of Trustees (Title 5: 55002). Curriculum review and development necessarily reflect the collegial decision to meet student needs for course work that is encompassed within basic skills, general education, transfer, and major programs of study, which include a wide array of occupational and liberal arts disciplines and areas. In addition, the process for establishing prerequisites, co-requisites, advisories, and limitations on enrollment falls under the purview of the curriculum committee (Title 5: 53200-2040).

### List Committee Goals for 2020/21

- I. Approve various courses and programs and certificates needing review and revision as per Title 5 requirements during the 2020 fall semester in order to remain in good standing and inclusion in the 2021-2022 catalog.
- II. Approve approximately 1,000 courses for Distance Education (DE) approval by December 20, 2020 to comply with current DE requirements.
- III. Continue to encourage the development of new ADT programs, programs, and certificates.
- IV. Complete revision of AP&P Handbook.
- V. Complete work of the Task Group which is reviewing BP 4020 and AP 4021 policies and provide recommendations for revision (re Program Discontinuance policies).

### Describe accomplishments made to meet your committee goals:

- I. Reviewed and approved 624 courses and 28 programs in the fall semester; the majority of courses reviewed were for DE approval, allowing AVC to continue to offer instruction to our students during the pandemic. This, by far, was our most important challenge.
- II. Revised the AP&P Handbook. The handbook had not been updated since 2015, and with the change from CurricUnet to eLumen, the project was complex and time-consuming, resulting in a complete overhaul of the handbook.
- III. Completed and forwarded recommendations for changes to BP 4020 and AP 4021. This was a goal that was worked towards in the 2019-20 academic year and completed in the beginning of the 2020-21 academic year.
- IV. Reviewed BP and AP 4235, Credit for Prior Learning, as required by the State Chancellor's Office. The expectations of the Chancellor's Office focused on expanding college's CPL policies; a workgroup was established and the group researched other college's CPL policies, reviewed what AVC students needed, aligned the policies with the new requirements, and made suggestions for both the BP and AP. We have forwarded our recommendations.
- V. Reviewed the college's policy for Correspondence Education. AVC does not have a clear policy, but the Chancellor's Office is requesting one be created. The pandemic has caused college's courses taught at local prisons to be taught as Correspondence Education courses. This will be the next required policy concerning curriculum that will need to be reviewed.
- VI. Created a workflow and process to make corrections to course SLOs that were incorrect due to the move to eLumen. This on-going project will update previously approved SLOs that are incorrect in eLumen, allowing faculty to record accurate data.

### What did your committee accomplish to further the College Mission?

**Mission: Antelope Valley College, a public institution of higher education, provides a quality, comprehensive education to a diverse population of learners. We are committed to student success offering value and opportunity, in service to our community.**

**Accomplishments:** AP&P was the major contributor to AVC's ability to continue to offer a quality education to our students. The state required that all courses being offered past December 31, 2020, must be locally approved to be taught as Distance Education courses if we were to continue to offer instruction online during the current pandemic. AP&P was able to help faculty and deans submit DE requests, review said requests, and approve 624 courses during the fall semester, which included all of the necessary courses scheduled for the spring semester, thus ensuring the continuity of education to our students. Furthermore, the CSU system, along with California legislators, have passed AB 1460, an Ethnic Studies requirement for CSU graduates, this year. The new Area F requirement is to be a lower-division course, which therefore affects our students hoping to transfer. The AP&P Committee has worked closely with our Articulation Officer and have submitted cross-listed courses for approval.

#### **What did your committee accomplish to further the 2020/21 College Goals?**

**Goal 1:** Commitment to strengthen Institutional Effectiveness measures and practices.

**Accomplishments:** AP&P has been working with the Guided Pathways Committee to help faculty add more specific recommended plans of study to their programs listed in the AVC catalog. Additionally, AP&P has made sure that courses and programs include necessary GP information in eLumen as they are reviewed and revised.

**Goal 2:** Increase efficient and effective use of all resources.

**Accomplishments:** AP&P provides professional development opportunities to faculty and staff, focusing on training for eLumen and course/program submissions, as well as development of new programs.

**Goal 3:** Align instructional programs to the skills identified by the labor market.

**Accomplishments:** AP&P works closely with CTE to ensure programs align with the current labor market. Additionally, AP&P works with faculty from instructional areas to review and revise curriculum to remain current and effective.

#### **What issues do you foresee your committee working through in the upcoming year?**

The AP&P Committee members spend many hours reviewing curriculum and offering workshops. The goals we have set are important and necessary; however, the main issue I see is time. We need to work with a tight schedule in order to accomplish our goals this year, and that includes the time to learn eLumen for all faculty, including those on the committee. Also, the state Chancellor's Office has pushed several important mandates this year, and each one gave us little time to respond. This only increases the challenge of accomplishing each goal in a timely manner.

Presented Name Change to CCC on 9/11/24.

Summary on OSD Name Change to Academic Accommodations Center.

The name change from OSD to Academic Accommodations Center was discussed with the OSD internal team and in collaboration with Student Services VP Idania Padron, and President Zellet.

The purpose of the name change is to create a more welcoming office for students with disabilities that need the services or request services based on disability. We believe that changing the name from OSD takes away unwelcoming words such as “disability,” “office” and other stigmatized wording that can make students/individuals with disabilities feel stigmatized and embarrassed to use or visit our office for services. The name change from OSD to Academic Accommodations Center (AAC) was overwhelmingly welcomed by our internal team. What our office does and provides are academic accommodations and other auxiliary services that assist and help students with disabilities on their academic journeys.

Drug Free Workplace Act of 1988, 41 U.S. Code Section 8103

The Antelope Valley Community College District shall be known as a “Drug Free” District, and adopt a “Zero” tolerance policy ~~within~~ regards to any ~~Scheduleschedule~~ I and Schedule II substance deemed unlawful by local, state, and federal laws.

The District shall be free from all drugs and from the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees.

The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in all facilities under the control and use of the District.

Any student or employee who violates this policy will be subject to disciplinary action (consistent with local, state, or federal law), which may include referral to an appropriate rehabilitation program, suspension, demotion, expulsion, or dismissal.

The following are summaries of the major health risks of and common symptoms associated with alcohol and other drug use and abuse. This is not a complete listing but an overview. Each individual will experience the effects of alcohol and other drugs in a slightly different way given his/her tolerance, body size, family history, gender, and other physical and psychological factors. Abuse of alcohol and other drugs can lead to chemical dependency and can be harmful during pregnancy.

## Alcohol

**Health Risks:** Alcohol in moderate amounts causes dizziness, dulling of the senses, impairment of coordination, reflexes, memory and judgment. Increased amounts of alcohol produce staggering, slurred speech, double vision, mood changes and, possibly, unconsciousness. Larger amounts result in death. Alcohol causes damage to the liver, heart and pancreas. It also may lead to malnutrition, stomach irritation, lowered resistance to disease and irreversible brain or nervous system damage.

**Symptoms:** Glazed eyes, obvious odor, pale and dry skin, broken blood vessels in facial area, 33 slowed motor coordination and enlarged stomach.

## Marijuana

**Health Risks:** Marijuana use leads to a substantial increase in heart rate. It impairs or reduces short-term memory and comprehension, and motivation and cognition are altered. With extended use it can produce paranoia and psychosis. Smoking marijuana damages the lungs and pulmonary system. Marijuana contains more cancer causing agents than tobacco. It also lowers male sex hormones, suppresses ovulation, and causes changes in the menstrual cycle and possibly causes birth defects.

**Symptoms:** Someone who uses marijuana may laugh inappropriately and have bloodshot eyes, dry mouth and throat, and a tell-tale odor of the drug, a poor sense of timing and increased appetite.

## Cocaine and Crack

**Health Risks:** Cocaine and its derivative crack produce dilated pupils and elevated blood pressure, heart rate, respiratory rate and body temperature. They may also cause insomnia, loss of appetite, tactile hallucinations, paranoia, seizure and death.

**Symptoms:** Someone using cocaine may experience muscle twitching, panic reactions, anxiety, numbness in hands and feet, loss of weight, a period of hyperactivity followed by a depression, a running or bleeding nose and sustained depression.

## Barbiturates

**Health Risks:** In small doses, barbiturates produce calmness, relaxed muscles and lowered anxiety. Larger doses cause slurred speech, staggering gait and altered perception. Very large doses taken in combination with other central nervous system depressants (e.g., alcohol) cause respiratory depression, coma and sometimes death.

**Symptoms:** A person who uses barbiturates may have poor muscle control, appear drowsy or drunk, become confused, irritable, inattentive or have slowed reactions.

### **Amphetamines**

**Health Risks:** Amphetamine use causes increased heart and respiratory rates, elevated blood pressure, and dilated pupils. Larger doses cause rapid or irregular heartbeat, tremors and physical collapse. An amphetamine injection creates a sudden increase in blood pressure that can result in stroke, high fever and heart failure.

**Symptoms:** An individual using amphetamines might begin to lose weight, have periods of excessive sweating, and appear restless, anxious, moody and unable to focus. Extended use may produce psychosis, including hallucinations, delusions and paranoia.

### **Hallucinogens (including PCP, LSD, Mescaline, Peyote, Psilocybin)**

**Health Risks:** PCP, or angel dust, interrupts the part of the brain that controls the intellect and impulsive behavior. PCP blocks pain receptors. Violent episodes, including self-inflicted injuries, are not uncommon. Chronic users report memory loss and speech difficulty. Very large doses produce convulsions, coma, heart and lung failure, or ruptured blood vessels in the brain. LSD, mescaline, peyote, etc. cause dilated pupils, elevated body temperature, increased heart rate and blood pressure, and tremors.

**Symptoms:** Someone using PCP might appear moody, aggressive or violent. Such an individual may become paranoid and experience hallucinations and have time and body movements slowed. LSD users may experience loss of appetite, sleeplessness, confusion, anxiety and panic. Flashbacks may also occur.

### **Narcotics (including Heroin, Codeine, Morphine, Opium, Percodan)**

**Health Risks:** Because these narcotics are generally injected, the use of contaminated needles may result in AIDS and hepatitis. Symptoms of overdose include shallow breathing, clammy skin and convulsions. An overdose may result in a coma or even death.

**Symptoms:** Some signs of narcotic use are euphoria, drowsiness, constricted pupils and nausea. Other symptoms include itchy skin, needle or "track" marks on the arms and legs, nodding, loss of sex drive and appetite. When withdrawing from the drug, sweating, cramps and nausea occur.

The Superintendent/President shall assure that the District distributes annually to each student and employee the information required by the Drug-Free Schools and Communities Act Amendments of 1989 and complies with other requirements of the Act.

The District shall provide educational and preventive information about opioid overdose and the use and location of opioid overdose reversal medication to students at all campuses. The Superintendent/President shall establish administrative procedures to assure that each campus health center applies to distribute dosages of a federally approved opioid overdose reversal medication and participates in the Naloxone Distribution Project through the State Department of Health Care Services.

## **Prohibition of Drugs**

The unlawful manufacture, distribution, dispensing, possession or use of alcohol or any controlled substance is prohibited on District property, during District-sponsored field trips, activities or workshops, and in any facility or vehicle operated by the District.

Violation of this prohibition will result in appropriate action up to and including termination of employment, expulsion, and referral for prosecution, or, as permitted by law, may require satisfactory participation in an alcohol or drug abuse assistance or rehabilitation program.

As a condition of employment, employees must notify the District within five (5) days of any conviction for violating a criminal drug statute while in the workplace. The District is required to inform any agencies that require this drug-free policy within ten (10) days after receiving notice of a workplace drug conviction.

Members of the public may request to inspect or copy public records. A request by a member of the public may be delivered by mail, **email**, or in person to the Office of the Superintendent/President or designee.

Any request shall identify with reasonable specificity the records that are sought. If additional information is needed, the Superintendent/President or designee may request it be provided in writing.

- ~~Personal email addresses (other than to an agent or family member of the employee, to an officer of another school district when necessary, to an employee organization, or to an agency or employee of a health benefit plan) unless the email address is used by the employee to conduct public business, or necessary to identify a person in an otherwise disclosable communication. The Antelope Valley Community College District recognizes the responsibility of its staff to report to the appropriate agency when there is a reasonable suspicion that an abuse or neglect of a child may have occurred. Mandated reporters include faculty, educational administrators and classified staff. Volunteers are not mandated reporters, but are encouraged to report suspected abuse or neglect of a child.

Child abuse is defined as physical abuse, neglect, sexual abuse and/or emotional maltreatment. This procedure addresses the sexual assault, sexual exploitation, and/or sexual abuse of a child; the willful cruelty or unjustifiable punishment of a child; incidents of corporal punishment or injury against a child; abuse in out-of-home care; and the severe and/or general neglect of a child (definitions contained in Penal Code Section 11165).

“Reasonable suspicion” occurs when “it is objectively reasonable for a person to entertain such a suspicion, based upon facts that could cause a reasonable person in a like position drawing when appropriate on his/ her training and experience, to suspect child abuse” (Penal Code Section 11166 subdivision [a]).

A child protective agency is a police or sheriff's department, a county probation department, or a county welfare department. School district police, Community College Police departments, or security departments are not child protective agencies (Penal Code Section 11165.9).

Any person not mandated by law to report suspected child abuse has immunity unless the report is proven to be false and the person reporting knows it is false, or the report is made with reckless disregard of the truth or falsity of the incident (Penal Code Section 11172 subdivision (a)). Reporting is an individual responsibility. An employee making a report cannot be required to disclose his/ her/ **their** identity to the employer (Penal Code Section 11166 subdivision (h)). However, a person who fails to make a required report is guilty of a misdemeanor punishable by up to six (6) months in jail and/or up to a \$1,000 fine (Penal Code Section 11172 subdivision (e)).

Mandated reporters must report immediately any reasonable suspicion of child abuse to a local child protective agency and follow up with a written report within thirty-six (36) hours. Students who will receive college credit for coursework are mandated reporters while volunteers are not. The written report may be mailed or submitted by facsimile or electronic transmission.

Child abuse reporting forms are available in the Antelope Valley Community College Campus Sheriff's Office in the T800.

No mandated reporter who reports a known or suspected instance of child abuse shall be civilly or criminally liable for any report required or authorized by the Penal Code. Any person other than a child care custodian reporting a known or suspected instance of child abuse shall not incur any liability as a result of making any report of child abuse, unless it can be proven that a false report was made and the person knew that the report was false. (Penal Code Section 11172 subdivision (a))

When an official of AVC releases a minor pupil to a peace officer for the purpose of removing the minor from the campus, the district official shall take immediate steps to notify the parent or guardian regarding the release of the minor to the officer, and regarding the place to which the minor is reportedly being taken (Education Code Section 87044), except when a minor has been taken into custody as a victim of suspected child abuse, as defined in Penal Code Section 11165 or pursuant to Welfare and Institutions Code Section 305. In those cases, the official shall provide the peace officer with the address and telephone number of the minor's parent or guardian.

Final action by the Board on the expulsion shall be taken at a public meeting.

The procedures shall be made widely available to students through the college catalog and other means.

## Section 2 - Guidelines for Student Conduct

Good cause includes, but is not limited to, the following offenses:

### .1 Academic Violations

~~a. Violation of the Academic Honesty Policy: Dishonesty, including but not limited to, cheating, or plagiarism. Plagiarism - from the Latin word for "kidnap" - involves using another's work without giving proper credit, whether done accidentally or on purpose. This includes not only words and ideas, but also graphs, artwork, music, maps, statistics, diagrams, scientific data, software, films, videos and the like. Plagiarism is plagiarism whether the material is from published or unpublished sources. It does not matter whether ideas are stolen, bought, downloaded from the Internet, or written for the student by someone else - it is still plagiarism. Even if only bits and pieces of other sources are used, or outside sources reworded, they must still be cited. To avoid problems, students should cite any source(s) and check with the instructor before submitting an assignment or project. **Students are always responsible for any plagiarism in their work.**~~

To avoid problems, students should cite any source(s) and check with the instructor before submitting an assignment or project; it is especially important that a student understands an instructor's individual A.I. policy.
