

Cert. Computer Aided Drafting in SolidWorks 25-26

(DRAFT)

ABOUT THIS MAJOR

The certificate program includes coursework to help prepare students for CAD use in industry. Students who complete this program will have the necessary skills to be employed by industry and in a variety of positions. Current engineers will find

the program helpful for skill building. Technicians will use this program to strengthen their skill set and technical communication skills.

For more information, visit the [Career and Technical Education](#) division.

COUNSELING NOTE SECTION

Prerequisite: If a course is listed as a prerequisite for another course, that prerequisite course must be completed with a satisfactory grade to enroll in the next course. A satisfactory grade is a grade of "A," "B," "C" or "P". Students who enroll in classes for which they do not meet the prerequisites will be involuntarily dropped. Students will be notified of this involuntary drop. Title 5, Section 55200(d)

Application for Graduation:

Antelope Valley College awards degrees three times annually following the Fall, Spring, and summer semesters. Students must apply for graduation to earn their degree or certificate. Applications are due by September 6 for spring/summer graduates and by February 14 for fall graduates.
