

A.S. General Business 25-26

(DRAFT)

ABOUT THIS MAJOR

The associate of science in General Business will provide students with a broad range of knowledge with which to evaluate and appreciate the physical environment, culture, and society in which they

live, with the necessary skills to excel in various business environments. They are well-prepared for entry-level career opportunities in areas such as accounting, business law, marketing, purchasing, retail, sales, customer service, economics, and entrepreneurship. Through this program, students gain the knowledge and practical experience required for entry-level employment in business, entrepreneurship, or to advance in their current career paths. The major offers a choice of concentrations in Marketing or Management. Students will choose their concentration and complete the additional 9 units of required electives in the chosen concentration.
