Deadline for curriculum submissions is Sept. 30th to make F22 catalog.</p> <p>B. BSI has not met yet</p> <p>C. Outcomes has not met yet</p> <p>D. Christos shared information about protocols for HyFlex modality. Maintaining social distancing and mask mandate is essential. Review of procedures for reporting and quarantine due to exposure were covered.</p>
<p>II. Discussion Items</p> <p>A. Hybrid Classes</p> <p>B. Co-requisite Support Classes</p> <p>C. Math130/Math135 Pathway</p> <p>D. HyFlex for Spring 2022</p> <p>E. Zoom Recordings</p> <p> 1. TechSmith Knowmia</p> <p>III. Action Items</p>	<p>A. Department agrees to maintain the traditional Hybrid designation for online classes (At least one meeting @ a specific day and time).</p> <p>B. Department is considering the creation of co-requisite support classes for Statistics and Trigonometry due to the low success rates for students who place with support recommended or highly recommended.</p> <p>C. Department is considering an alternate STEM pathway for students that do not place into Precalculus. It would bring back Math130 and have it as a prerequisite for Math135. A workgroup was formed to work out the details and feasibility.</p> <p>D. HyFlex modality will continue for Sp22 unless F2F is chosen. Faculty need to identify modality so that HyFlex capable rooms can be assigned.</p> <p>E. Dr. Kitto shared embedded quizzes in Zoom recordings using TechSmith Knowmia, changing recordings into an interactive learning strategy.</p>
