This course is available to be taught for Fall 2023.</p> <p>AB 1705 – Math 130/135: The law places new restrictions on what we can require students to take as prerequisites. There was significant discussion of the implications of the law.</p> <p>There was also significant discussion of whether we should change to the Math 130/135 pathway in the midst of the other changes occurring. A survey on this issue will be sent to the department.</p> <p>Other: Roberto reported that anyone who wants the ZTC designation in the class schedule should send that request to Suzanne for sending to the administration.</p>
