Antelope Valley College Multi Screen Tool and Overall Assessment

The multi-screen tool is designed to rank candidates for the paramedic program based on their experience, education, and certifications. To receive credit for the category item, the applicant must have the appropriate document that verifies the item. In the application, if there is no document or the document is deemed to be insufficient, then the applicant will not receive credit for the item. Be advised that there the max score could be 120 points on this tool.

In addition to the application being scored on this tool, the Paramedic Entry Exam will also be used to determine placement. The score on that exam (with a max possible of 100) will be averaged with the scored on this tool. (Multi-screen tool score + Entry Examination Score) ÷ 2 = Final overall score. For example, a student scoring 60 pts on the multi-screen tool, and 70% on entry examination will have an overall ranking score of 65 pts.

Category Item (Only 1)	**Max Points**	
Work Experience		
Over 2 years 911/ER experience	**25**	
1 to 2 years 911/ER Experience	20	
6 months to 1 year of 911/ER experience (1000 hours)	15	
1 year part time 911/ ER experience	10	
Over 2 years IFT experience	10	
1 to 2 years IFT experience	7.5	
6 months to 1 year IFT experience (1000 hours)	5	
1 year part time experience IFT	2.5	

Category Item *(Only 1)*	**Max Points**	
BA/BS	**15**	
AA/AS	10	
RN/RT	10	

Category Item (Only 1) BIO 201	**Max Points**	
College Level Anatomy "A"	**5**	
College Level Anatomy "B"	4	
College Level Anatomy "C"	3	
College Level Anatomy "D"	0	
Category Item (Only 1) BIO 202	Max Points	
College Level Physiology "A"	**5**	
College Level Physiology "B"	4	
College Level Physiology "C"	3	
College Level Physiology "D"	0	

Category Item (May be multiple)	**Max Points**
