

**ANTELOPE VALLEY COLLEGE**  
invites applications for the position of:

## **Biological Sciences (Anatomy & Physiology) Instructor FT Faculty - 10 months**

**SALARY:** \$57,235.07 - \$84,543.93 Annually

**DEPARTMENT:** Math/Science/Engineering

**OPENING DATE:** 04/13/21

**CLOSING DATE:** 04/30/21 11:59 PM

Placement on the applicable salary schedule is commensurate with education.

Fall 2021 (Position re-advertised)

Cover Letter, Resume, Transcripts for all Degrees, Two Letters of Recommendation

### **DESCRIPTION:**

This position is a full-time, tenure track teaching assignment in the Department of Biological and Environmental Sciences of the Division of Mathematics, Sciences and Engineering. The candidate will be responsible for teaching a combination of lecture and lab courses in human anatomy, human physiology and non-majors biology courses that support transfer by students into disciplines in the biological sciences, health-related professions including vocational programs, and the fulfillment of general education requirements for transfer students in other disciplines.

### **REPRESENTATIVE DUTIES:**

- In addition to teaching 15 lecture hour equivalents per semester, full-time faculty are responsible for five office hours per week and preparation time, and are expected to participate in faculty / division meetings and yearly program review.
- Full-time faculty also participate in curricular planning, student learning outcomes: data collection and writing action plans, program learning outcomes, development, assessment, and implementation; evaluation of educational programs; and college governance contributory to the attainment of the college's mission and strategic goals.
- Instructors may be assigned a combination of daytime, evening, online, and/or Saturday classes, as the college is dedicated to the educational success of a diverse student body with diverse needs.
- Continued professional development through the Faculty Professional Development Program or other sources is expected.

- Travel between District locations is also expected.

## MINIMUM QUALIFICATIONS:

(Applicant must meet one of the following requirements)

- **Most current Minimum Qualifications for Faculty in California Community Colleges:**

Master's in any biological science **OR** bachelor's in any biological science **AND** master's in biochemistry, biophysics, or marine science or the equivalent as follows

- **Antelope College Equivalency:** Equivalency not needed, per division faculty

**AND** a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students (Assembly Bill 1725; Education Code 87360).

## DESIRABLE QUALIFICATIONS:

- A specialization in Anatomy and Physiology as evidenced by relevant coursework in one or both fields
- Previous community college or college level teaching experience, including graduate teaching assistantships in anatomy and physiology.
- Knowledge of and experience with current anatomy laboratory materials and methods that includes the use of animal and cadaver specimens.
- Laboratory experiences that demonstrate knowledge of current methods used in designing and teaching hands-on human and animal physiology experiments, including the ability to use a variety of equipment for the acquisition and analysis of physiological data.
- Knowledge in developing and implementing innovative teaching methods, including inquiry-based learning into the curriculum, is highly desired.
- Experience with teaching in an online environment.

---

## EQUAL OPPORTUNITY EMPLOYER:

*Antelope Valley College prohibits discrimination and harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation. Upon request, we will consider reasonable accommodations to permit individuals with protected disabilities to (a) complete the employment or admission process, (b) perform essential job functions, (c) enjoy benefits and privileges of similarly-situated individuals without disabilities, and (d) participate in instruction, programs, services, activities, or events.*

---

**Annual Security Report** is provided by Antelope Valley College for prospective students and employees. A copy of this report is available at <http://www.avc.edu/administration/police/>

## APPLICATION INSTRUCTIONS - PLEASE READ

- Each recruitment is conducted independent from others; therefore, interested parties need to submit separate complete application packages for each position they apply.
- It is important the applicants submit ALL documents requested for the application package to be deemed complete and given consideration.
  - This includes, but is not limited to, submitting transcripts for all college coursework or degrees when requested to do so within a job announcement.

- All out of the country transcripts must be evaluated prior to submitting them with applications.
  - Any evaluation service member of the National Association of Credential Evaluation Service (NACES) <http://www.naces.org/> is acceptable.
- If letters of recommendation are required, letters must be current within two years, signed and dated from individuals having knowledge of your professional experience.
- Typing certifications must be current within one year and must include name, date and net words per minute (NWP).
- For those disciplines with established Academic Senate's approved equivalency: complete the Supplemental Equivalence Request form (If applicant is applying based on an equivalency and is requesting review)
- Applicants may be subject to passing an examination (written/technical), as appropriate to the requirements of the position.
- Residency within a reasonable geographical area of the college may be necessary.
- Travel expenses for pre-employment interviews and employment processing will not be authorized.
