

## Antelope Valley College Radiologic Technology Program Success

The program measures its success by meeting the Joint Review Committee on Education in Radiologic Technology Standards for program effectiveness. The standards are available at [www.jrcert.org](http://www.jrcert.org). The program submits an annual report to the JRCERT, available at <http://www.jrcert.org/resources/program-effectiveness-data/> (Please note: data for this report is only available for years in which the program graduated a class.)

### National Registry Exam Pass Rates

Following successful completion of the Antelope Valley College (AVC) radiologic technology program, graduates may apply to take the American Registry of Radiologic Technologists (ARRT) certification examination. The following indicates AVC radiologic technology program graduates' success when taking the ARRT registry exam for the first attempt within six months of graduation:

Year Graduated	Antelope Valley College First Time Pass Rate	National First Time Pass Rate*
2010	(7/7) 100%	92.4%
2011	No Graduates	92.7%
2012	(8/8) 100%	93.0%
2013	No Graduates	89.6%
2014	(9/9) 100%	88.9%
2015	No Graduates	88.4%
2016	10/10 100%	N/A
5-Year Average	(34/34) 100%	90.0%

\* From ARRT Primary Exam Results ([www.arrt.org](http://www.arrt.org))

### Annual Program Completion Rates

The number of students who completed the program within 24 months:

Year Graduated	Program Completion
2010	(7/11) 64%
2011	No Graduates
2012	(8/10) 80%
2013	No Graduates
2014	(9/10) 90%
2015	No Graduates
2016	10/10 100%

## Job Placement

Of those pursuing employment, eligible graduates that are gainfully employed within 12 months after graduation:

Year Graduated	Job Placement
2010	(5/5) 100%
2011	No Graduates
2012	(8/8) 100%
2013	No Graduates
2014	(9//9) 100%
2015	No Graduates
2016	N/A - No data currently
5-Year Average	(22/22) 100%

(Revised 07/2016)
