The Search Results table shows a row for each course that contains the course title, subject, course number, section, units, CRN, Instructor, meeting times, campus, status, and section details. As the image above shows, that is a lot of information.

Using the gear to the upper right of the table opens a menu to choose the columns you can see (Red arrow)

Some columns allow sorting of the data using the small arrow icons to the right of the column name.

Clicking on the course title opens a window that contains detailed information for each course as described below.

The green Search Again button in the upper right corner of the table takes the user back to the form to start the search again.

At the bottom of the table is a navigation button set that for going between pages of the table.

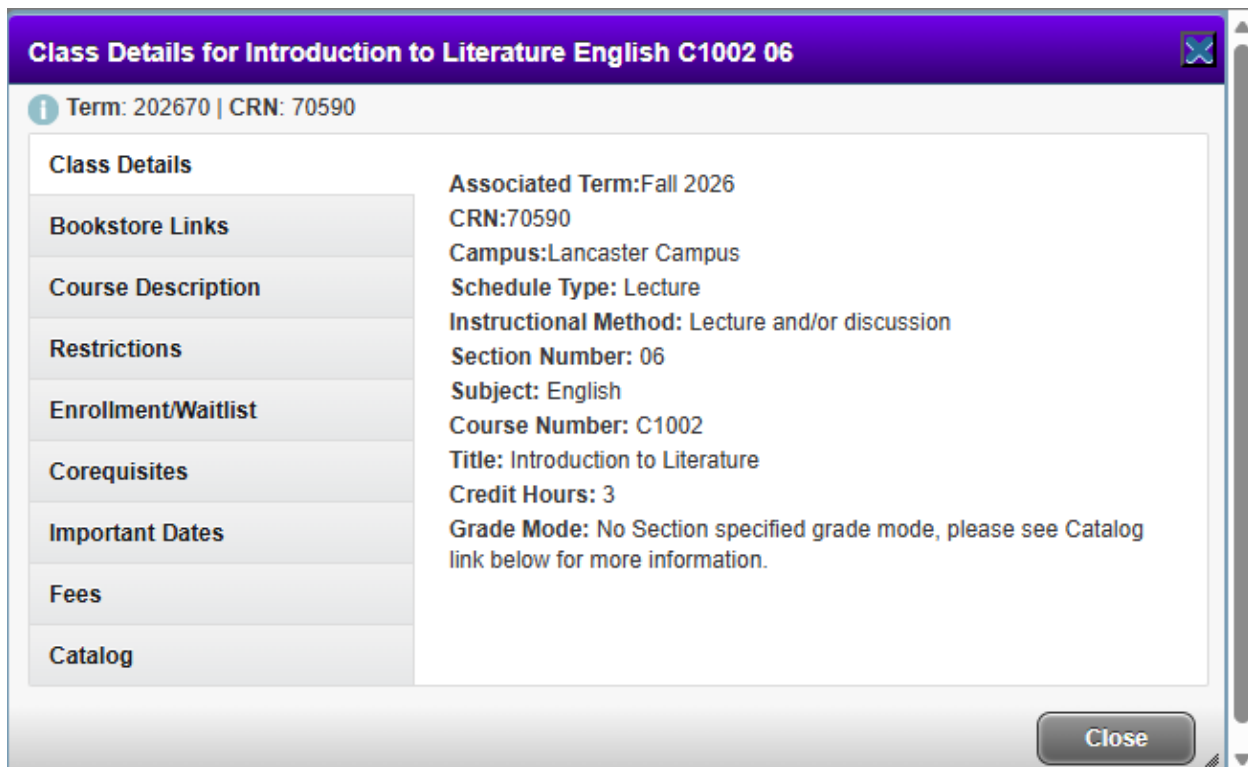

The total number of records for a search is listed in the lower right corner.

## Class Details Window and Tabs

The Class Details pop up window has 9 tabs to deliver any additional details for a course. Not every class will have information on every tab.

### Class Details

This tab contains basic information and how the course will be delivered

The screenshot shows a window titled "Class Details for Introduction to Literature English C1002 06". At the top, it displays "Term: 202670 | CRN: 70590". Below this is a sidebar with nine tabs: Class Details, Bookstore Links, Course Description, Restrictions, Enrollment/Waitlist, Corequisites, Important Dates, Fees, and Catalog. The "Class Details" tab is selected, showing the following information:
