- Interprets policies, rules and procedures (E)
- Attends meetings and conferences for purposes of enhancing knowledge base on information technology system (E)
- Performs other related duties as may be assigned.

EDUCATION AND EXPERIENCE: Any combination equivalent to: graduation with an Associate's degree, preferably in computer science or business, or equivalent training and three years of applied experience. A basic foundation of knowledge and skills in applications database and system / data analysis is necessary. Foundation knowledge and skills may include standard systems analysis techniques and specialization in a specific department or area.

KNOWLEDGE OF:

- Formal data flow analysis methodologies
- Campus-defined systems, applications and standards
- System/equipment capability, design restrictions and security requirements
- Network connectivity, integration, configuration and protocols
- Integrated systems including operations systems, applications and databases
- Client/server technologies
- Technical and vendor documentation for database systems and related programs
- Data structure design, relational database design and file structures

ABILITY TO:

- Identify hardware/software problems
- Maintain current knowledge of program requirements, regulations and restrictions
- Communicate effectively
- Work confidentially with discretion
- Meet schedules and time lines
- Complete work with many interruptions
- Establish and maintain cooperative and effective working relationships with others
- Maintain records and prepare reports
- Understand and follow oral and written directions
- Use database tools to generate reports and perform data analysis

WORK DIRECTION, LEAD AND SUPERVISORY RESPONSIBILITIES: Provides work direction to student and hourly workers as assigned

CONTACTS: Co-workers, other departmental staff, IT programmers, and vendors

PHYSICAL EFFORT:

- Requires the ability to exert some physical effort, such as walking, standing and light lifting
- Minimal dexterity in the use of fingers, limbs and body in the operation of office equipment
- Tasks require extended periods of time at a keyboard

WORKING CONDITIONS:

Normal office environment

APPLICATION PROCEDURE

To be considered an applicant for a classified position in the Antelope Valley Community College District, all of the following documents must be submitted by close of the HR Office on the deadline date. HR Office Hours: Monday-Thursday 7:30am-6:00pm and Friday 7:30am-11:30am.

If any of the listed materials are missing or incomplete, the application will not be considered.

1. A completed and signed Antelope Valley College *Classified Application*
2. Cover letter addressing your interest and qualifications
3. Résumé
4. Transcripts: If college-level coursework or a degree IS required in the job announcement under "Education and Experience":
 - a. Submit transcripts of all college-level coursework as required (unofficial transcripts or photocopies will be accepted to establish the application file).
 - b. No copies of degree/diplomas will be accepted as proof of college education.
 - c. Official documents will be required if the candidate is offered the position.
 - d. If "coursework" requirement is satisfied from a non-traditional college setting, submit photocopies of certificates earned that apply to the position only.

The application must be filled out completely and signed. Do not indicate "See Résumé" on any part of the application. Blank spaces, illegible entries or failure to sign the application may be cause for rejection. The District will not return application materials submitted.

Application forms are available on the AVC web site www.avc.edu or from the Human Resources Office and must be returned to:

Office of Human Resources
3041 West Avenue K
Lancaster CA 93536
(661) 722-6311

**Faxed or emailed materials cannot be accepted.
Unsolicited materials will not be included. Postmarks will not be accepted**

A selection committee will screen applications of candidates meeting minimum requirements. Meeting minimum requirements does not assure the applicant of an interview. Selection for an interview will be based on your training and experience as outlined in your application. Applicants selected for interviews will be notified by phone. Applicants should not expect notification of the status of their candidacy until the Board of Trustees has acted upon the district's recommendation for employment.

Candidates selected for employment will be required to provide verification of work authorization pursuant to INS regulations.

Antelope Valley College offers an extensive benefit package that includes full-family medical, dental, and vision plans and employee life insurance and income protection policies and eligibility to enroll in the Public Employees' Retirement System.

Antelope Valley College prohibits discrimination and harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation. Upon request, we will consider reasonable accommodations to permit individuals with protected disabilities to (a) complete the employment or admission process, (b) perform essential job functions, (c) enjoy benefits and privileges of similarly-situated individuals without disabilities, and (d) participate in instruction, programs, services, activities, or events.

AVC is an equal opportunity employer.
