

Film, Television & Electronic Media for Transfer (AA-T) 25-26

ABOUT THIS MAJOR

Film and Television are the most powerful cultural and artistic mediums of our time and have forever marked the popular culture of the twentieth century. As a

society film, television, and electronic media are ever present in our world and we are continuously influenced by the visual images of these powerful mediums as they link with the ancient art of storytelling through various formats. Studying film, television and electronic media teaches us about our lives and our society and impacts how we view ourselves as well as the world around us. The Associate in Film, Television & Electronic Media for Transfer (AS-T in Film, Television and Electronic Media) degree is designed to give students a strong practical foundation in film and television production while also giving a basis of the history, aesthetics, theory, and development of visual storytelling through motion pictures. Additionally, the degree will provide students with the knowledge and skills associated with every phase of motion picture production from writing and producing to directing, sound design, cinematography and editing. Students will learn the collaborative nature of filmmaking through crew experiences. The process allows students to develop skills in all areas of the craft experimenting with both creative and technical jobs through all aspects of production. For more information, visit the Arts & Humanities division.
