## GRAPHING CALCULATORS

### Terms and Conditions

Students receiving assistance from Books H.E.L.P. Program, must carefully read and agree to the following Terms and Conditions. Once read and understood, the student may proceed to obtain a graphing calculator.

1. After the end of each semester, a mandatory survey will be distributed to participating students. Please complete the electronic survey in a timely manner.
2. You must follow these guidelines (i.e., returning borrowed material) and abide by Student Code of Conduct or you may be at risk of becoming restricted or ineligible to participate in the program.
3. If your calculator is lost, stolen, or damaged you are fully responsible for the replacement costs of the calculator.

#### **CALCULATORS - Texas Instrument (TI-84 Plus, Silver Edition) and components:**

1. If you withdraw or are dropped from a class, you are responsible to notify the Books H.E.L.P. Program and return the Texas Instrument Graphing Calculator and all its components, IMMEDIATELY. E-mail [bookshelp@avc.edu](mailto:bookshelp@avc.edu) for return location.
2. If you **DO NOT** notify the Books H.E.L.P. Program that you withdrew or were dropped from a class you will be responsible to pay **\$150 for the graphing calculator and its components**. A hold will be placed on your college record and you will not be able to register for any future terms nor be issued any additional textbooks or materials until this is cleared.
3. **I understand that if I do not return all components of the TI-84 Plus Graphing Calculator by the end of the semester, that I am responsible for the full cost of replacing it. The cost to replace the calculator kit is \$150.00.** The graphing calculator and its components consist of:
  - (1) TI- 84 Plus, Silver Edition Graphing Calculator
