Type of Committee/Authority:

Participatory Governance

Purpose:

The Guided Pathways Coordinating Committee (GPCC) is a participatory governance committee, through thoughtful inquiry and cross campus collaboration, provides information and makes recommendations to college governance bodies regarding the approaches, strategies, evaluation, implementation, and improvement of current structures and practices in regard to the Guided Pathways Reform principles and best practices. The GPCC will also generate reports/documents, budgets, presentations to cabinet and senate, and set Guided Pathways Team meetings and agendas.

Membership may also include the formation of subcommittees, task forces, or workgroups to facilitate the work of determining an integrated approach and implementation of Guided Pathways.

Committee Recommendations Submitted:

Recommendations are submitted to the Superintendent/President and college governance committees.
