

# INTERSESSION & SPRING 2019

## AERONAUTICAL SCIENCES & TECHNOLOGY (AST)

### INFORMATION SESSIONS

**January 18@9 am • January 25@5 pm • March 1@9 am • March 15@5 pm**  
Antelope Valley College • Uhazy Hall (UH) Room103

These information sessions are designed to answer questions about the aeronautical programs offered at Antelope Valley College:

- **AFAB**—Aircraft Fabrication & Assembly
- **AERO**—Aeronautical & Aviation Technology (Airframe & Powerplant)
- **AFMT**—Aircraft Manufacturing Technology Bachelor of Science Degree

### **Who should attend?**

Anyone interested in the AFAB, AERO, or AFMT programs.

### **AFMT Bachelor of Science Degree application dates:**

To apply as a junior (3rd-year track) the application period will open on Friday, March 1, 2019 and the deadline is Friday, April 12, 2019.

To apply as a freshman (1st-year track) the application period will open on Monday, April 15, 2019 and the deadline is Monday, May 20, 2019.

### **How do I apply for the AFMT Bachelor of Science Degree program?**

Enrollment application forms will be available on the first date of the application period for each corresponding track. (See application dates above.) Follow the instructions on the cover sheet of the enrollment application form.

For more information, go to <https://www.avc.edu/academics/afmt>.

For more details about the AST information sessions, contact the Career Technical Education Division office at (661) 722-6300, ext. 6327.
