Note: Eligibility to enroll into Mathematics and English courses is established through AVC's assessment or pre-requisites for such courses.

Diagnostic Assessment (TEAS®)

All students are required to take the ATI TEAS and achieve a minimum score of 62 percent. Students who have completed enrollment packets on file are scheduled to take the ATI TEAS at AVC during the fall and spring semesters. Students may also take the test at any other testing site and pay to have the results sent electronically to the Nursing Department at AVC. Complete enrollment packets and successful ATI TEAS results must be on file by March 1 to be considered for fall admission and September 1 to be considered for spring admission.

Diagnostic Assessment: 3 hours & 30 minutes
Content: English Usage, Reading, Mathematics, Anatomy, Physiology, Microbiology.

Students who do not pass the test the first time must complete the remediation plan and retest within one year of the first test date.

A study manual for the TEAS® is available from Assessment Technologies Institute, LLC (www.atitesting.com), or the Marauder Bookstore.

Multiple Screening Criteria:

- Previous academic degrees.
- GPA in relevant science courses.
- GPA in remaining prerequisite courses (ENGL 101/101SL and MATH 115 or equivalent courses).
- Life experiences and special circumstance.
- Proficiency or advanced coursework in languages other than English.
- Results on the assessment test (Test for Essential Academic Skills, TEAS®).
- Students not accepted will remain on a waiting list for the next enrollment period.

Units Required for Major **36**

Minimum Total Units Required for the Associate Degree in Nursing: 74

Proficiency Requirements

Proficiency requirements exist for the areas of Reading, Writing and Math. Students must demonstrate competency in each of these areas in order to be eligible for the associate degree.

A. READING

Eligibility for College Level Reading (AVC assessment) or completion of READ 099 with a minimum grade of "P" (Pass), or completion of an Associate Degree or higher from a regionally accredited institution of higher education.

B. WRITING

Completion of ENGL 101 or ENGL 101SL with a minimum grade of "C." NOTE: ENGL 101 may be taken with the Pass/No Pass option; however, students are cautioned that other colleges and universities may not accept ENGL 101 courses taken on a Pass/No Pass basis, especially for satisfaction of general education and major requirements. Students planning to transfer should check college catalogs for applicable policies.

C. MATHEMATICS

Completion of MATH 102 or higher or CIS 121 with a satisfactory grade or placement by AVC assessment into a math course higher than MATH 102.

*Fulfilling proficiencies will not require any extra units if the competencies are demonstrated by including the required courses in the general education, or major requirements, or by satisfying the reading proficiency through AVC's policy.

Grade Point Average Requirement

An overall grade point average of 2.0 ("C" average) is required.

Requirements for Two or More Associate Degrees

To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer

Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center and consult with a counselor as soon as possible to develop a plan of studies. Additional information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

Transferability of courses to the CSU or UC systems is indicated at the end of a course description by the notation "(UC, CSU)." For the transferability of courses to all other universities, please consult with a counselor or the Transfer Resource Center.

Prerequisite Completion

If a course is listed as a prerequisite for another course, that prerequisite course must be completed with a satisfactory grade in order to enroll in the next course. According to Title 5, Section 55200(d), a satisfactory grade is a grade of "A," "B," "C" or "P". Students who enroll in classes for which they do not meet the prerequisites will be involuntarily dropped. Students will be notified of this involuntary drop.

Residence Requirement

Of the required 74 units, "at least 12 semester units must be completed in residence at the college granting the degree." Title 5, Section 54000 et seq. Title 5 of the California Code of Regulations is available at <http://ccr.oal.ca.gov> and in the Antelope Valley College Library.

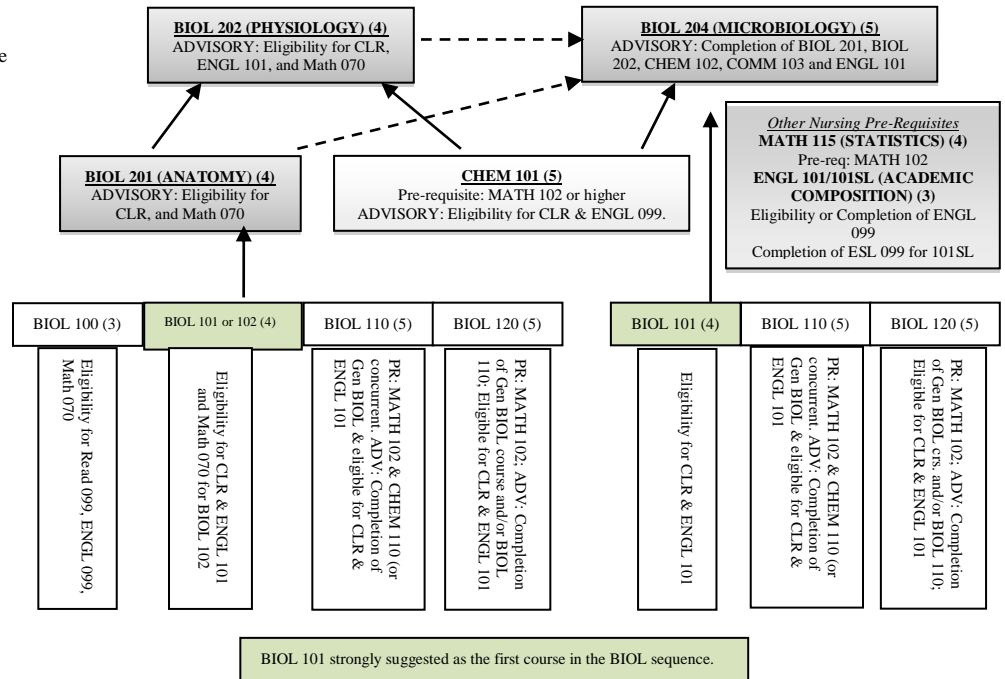

Licensure

The Associate Degree Nursing program prepares graduates and program completers for the National Council Licensure Examination for Registered Nurses. This exam is required by the California Board of Registered Nursing and the boards of nursing of other states and U.S. territories for licensure as a registered nurse.

Enrollment Procedure:

1. Please contact the Health & Safety Sciences Division Office (Nursing Department) HS 198, first floor, Health and Sciences Building) at (661) 722-6402 to obtain an enrollment packet, including the "Verification of Prerequisites" form.
2. Submit an Educational Plan obtained at AVC's Counseling Center. You will need one set of official transcripts from every institution, other than AVC, for the counselor's evaluation. If your prior education comes from a foreign country, you will need to have those foreign transcripts evaluated by one of the international evaluation services that AVC recognizes before a counselor from AVC can complete an Educational Plan. A course description will also be required. Request a list of International Evaluation services at the Counseling Center. (661) 722-6338.
3. Submit one set of official high school transcripts (or GED results) and college transcripts to the Health and Safety Sciences Division (Nursing Department) office with the program enrollment form. (Transcripts/GED/AP results must be received in sealed, unopened envelopes.) It is the student's responsibility to contact the high school and college(s) attended for official transcripts. The student should contact educational institutions early in the enrollment process. If the student has earned an Associates Degree or higher, then evidence of a high school diploma or equivalent is not necessary as long as the granted degree is posted in an official transcript as part of the enrollment packet.
4. Submit one extra set of official transcripts from every institution attended (including AVC) with the completed enrollment packet to the Health & Safety Sciences Division (Nursing Department) office (HS 198, first floor, Health and Sciences Building).
5. Transfer students must submit a letter from their previous nursing program director indicating that they are eligible to return to their former program.
6. Consult with the Health & Safety Sciences Division (Nursing Department) office in regards to the selection procedure and the appropriate time for the physical examination, drug screening, and background check.
7. Completed enrollment packets and satisfactory TEAS® results must be on file in the Health & Safety Science Division (Nursing Department) by March 1 for consideration for fall admission, and by September 1 for consideration for spring admission."

Advisory:

A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite:

A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite:

A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated requisite.

Point Assignment and Enrollment Process into ASN Program (100 points possible)

Criteria 1: Academic degree or diplomas, or relevant certificates held by applicant. (15 points possible)

Point Distribution

BS/BA: 15 points

LVN: 15 points

CNA: 10 points

These are the only degrees/certificates considered.

Criteria 2: Grade Point Average in relevant course work.

Minimum 2.5 G.P.A. in Anatomy, Physiology, and Microbiology. (40 points possible)

G.P.A. of 4.0 = 20 points

G.P.A. of 3.5 to 3.99 = 15 points

G.P.A. of 3.0 to 3.49 = 10 points

G.P.A. of 2.5 to 2.99 = 5 points

Minimum 2.5 G.P.A. in remaining prerequisite courses: ENGL 101 and MATH 115

G.P.A. of 4.0 = 20 points

G.P.A. of 3.50 to 3.99 = 15 points

G.P.A. of 3.00 to 3.49 = 10 points

G.P.A. of 2.5 to 2.99 = 5 points

Criteria 3: Life experience or special circumstances of an applicant, including but not necessarily limited to, the following: (10 points possible)

- Disabilities
- Low family income
- First generation of family to attend college
- Need to work
- Disadvantages: social or educational environment
- Difficult personal & family situations or circumstances
- Refugee or veteran status

Any life experience on the list = 10 points

Criteria 4: Proficiency or advanced level coursework in languages other than English.

Credit for languages other than English shall be received for languages that are identified by the Chancellor's Office. These may include but are not limited to the following: (10 points possible)

- i. American Sign Language
- ii. Arabic
- iii. Chinese, including its various dialects
- iv. Farsi
- v. Russian
- vi. Spanish
- vii. Tagalog
- viii. The various languages of the Indian subcontinent and Southeast Asia

Any language on the list = 10 points

Criteria 5: Assessment/readiness test results. The points assigned are dependent upon the test cut score. Arrange points to equal the score. The ATI TEAS 6 minimal cut score is 62. (25 points possible)

90 to 100 = 25 points

82 to 89 = 20 points

74 to 81 = 15 points

62 to 73 = 10 points

Students who do not pass the ATI TEAS on the first attempt, must complete remediation before a second attempt score is accepted. Only two attempts are permitted for Generic RN students.

LVN-RN's - If TEAS was attempted while applying to a generic program, then apply to Advanced Placement, two attempts can still be accepted.
