| Items   | Person       | Action  |
|---|--------------|---|
| I. Welcome                                      | Glenn Haller | <ul style="list-style-type: none"> <li>• Nothing new</li> </ul>   |
| II. New Discipline (Front) Codes                | Glenn Haller | <ul style="list-style-type: none"> <li>• Previously communicated about front codes. We thought about separating KIN to theory, activity and fitness. (KINA, KINF, KINA)</li> <li>• Does activity and fitness fall into the same category? What is the premise regarding switching them? It helps to fit them into local degree programs.</li> <li>• We need to require any course with contact hours into the coaching discipline to allow for someone without a Master’s degree but experience to be able to teach those courses. (Intercollegiate Athletics)</li> <li>• Vote to add front code: IATH or keep KIN- keeping KINA AND KINT and adding IATH.</li> <li>• Vote to try to add to coaching discipline or leave as it- we need to think about it before we make a decision.</li> </ul> |
| III. Questions from Union regarding AD position | Glenn Haller | <ul style="list-style-type: none"> <li>• Should we hire someone outside who does just Athletic Directing or someone that can have the ability to teach or coach? Should it be non-faculty?</li> <li>• Request to ask the union if we can be a part in writing a job description. They want us to decide what kind of person we want in this position.</li> <li>• Discussion was made, but no decision was made. There was a consensus that they wanted someone that would be able to coach/teach. We have two scenarios that our input would depend on. To return to this at a later date.</li> </ul>   |
