

Required Extracurricular Activities

Pre-Law Club Requirements

Service Learning Requirements

This component should include non-profit or public interest organization partners, as well as work related to law, policy or government. This component is different than an unfocused volunteer program. It goes a step further by incorporating some type of legal or legally-related experience.

Hours

- Law Scholars will be required to accumulate 15 hours per semester

Acceptable Club Activities

- The club will offer a number of activities each semester. A chart of activities and earned points will be available at the start of each school year from the club. It may change from year to year.
- The hours must be signed off by club officers and verified by club advisors

Hours

- Law Scholars graduating by December will be required to accumulate 15 hours per semester
