

## Application for Enrollment Airframe Manufacturing Technology Program Baccalaureate Degree – 3<sup>rd</sup> Year Track

Prerequisites for the Airframe Manufacturing Technology Program (AFMT), baccalaureate degree: Completion of the Aircraft Fabrication & Assembly Technician (AFAB) associate degree coursework. In addition, the associate's degree coursework must follow the general education requirements for the CSU system. Students must have a 2.8 minimum GPA in all AFAB courses and a 2.5 minimum GPA in all college courses taken for credit (overall GPA).

All students applying for enrollment in the AFMT program should follow these instructions:

1. Fill out the form attached to these instructions.  
**NOTE:** You are responsible for notifying the Career Technical Education Division office when you change your address or telephone number. Please call 661-722-6327, to do this.
2. Attach official college transcripts (including Antelope Valley College) that show completion of the prerequisite courses. One set of college transcripts must also be on file in the Admissions and Records Office. **“Official”** college transcripts must be submitted in sealed envelopes that have not been opened by the student.
3. Attach a copy of the Educational Planning and Evaluation Form (Ed Plan) completed by an AVC Counselor or Education Advisor. The following Counselors and Education Advisor are assigned to the AFMT program, Monica Carreon, Rosa Fuller, and Patty King. The Ed Plan should be completed no more than one semester prior to submitting the application for enrollment. Ed Plans are completed by appointment only. Call 661-722- 6300, extension 6338, to schedule an appointment. **Be sure you inform the information desk that you are requesting an appointment regarding the bachelor's degree.**
4. Submit the items listed in numbers 1 through 3 to the Career Technical Education Division office, EL-129, (Enterprise Lab Bldg.). Items 1 through 3 are considered your **“application packet”**. You may call (661) 722-6327 for drop off hours. Application packets may also be mailed to: AVC, Career Technical Education, 3041 West Avenue K, Lancaster, CA 93536. **Attn: Rosie Heasley.**

Application packets are accepted during the designated application period only. Students will be randomly selected for enrollment into the program. **Students who have not completed 1-2 baccalaureate prerequisites courses may apply with the understanding that these requirements must be completed by the end of the summer term, the year of enrollment intent. Contingent admissions will be rescinded if these requirements are not met.** Students will be advised of acceptance or non-acceptance by mail or email. Only official documents will be accepted.

**INCOMPLETE PACKETS WILL NOT BE CONSIDERED.**

The Antelope Valley College Airframe Manufacturing Technology Program is approved by the California Community College Chancellor's Office.

NOTE: The aerospace industries generally require employment applicants to pass a background check and drug screening. Employment is often subject to the applicant's ability to receive a security clearance from the Department of Defense (DOD).

Antelope Valley College prohibits discrimination and harassment based on sex, gender, race, color, religion, national origin or ancestry, age, disability, marital status, sexual orientation, cancer-related medical condition, or genetic predisposition. Upon request, we will consider reasonable accommodation to permit individuals with protected disabilities to (a) complete the employment or admission process, (b) perform essential job functions, (c) enjoy benefits and privileges of similarly-situated individuals without disabilities, and (d) participate in instruction, programs, services, activities, or events.
