

Rubric for Evaluation of Airframe Manufacturing Technology Bachelors in Science Degree

Program Application

Criteria	Points	Point Assignment
Grade point average required	40 points maximum	<p>Minimum 3.0 GPA in all AFAB/AERO courses</p> <p>GPA 4.00 = 20 pts GPA 3.50 – 3.99 = 15 pts GPA 3.00 – 3.49 = 10 pts</p> <p>Minimum 3.0 Cumulative GPA (Overall) GPA 4.00 = 20 pts GPA 3.50 – 3.99 = 15 pts GPA 3.00 – 3.49 = 10 pts</p>
<p>Relevant academic degrees or certificates* (i.e. Chemistry, Physics, Biology, Software Engineering, Statistics, Advanced Manufacturing, Advanced Aircraft Structures, and Enterprise Resource Planning - SAP).</p> <p>*As determined by AFMT discipline faculty</p>	25 points maximum	<p>BS/BA = 25 pts AS/AA = 15 pts Certificate = 10 pts</p>
<p>Relevant industry work experience* (i.e. aircraft maintenance, aircraft sustainment and industrial productions)</p> <p>*As determined by AFMT discipline faculty</p> <p>Note: Must provide a verification of employment letter and it must include the applicants full name, position, and length of employment.</p>	25 points maximum	<p>Number of years with work experience 4-5 = 25 pts 2-3 = 15 pts 1 = 10 pts</p>
Veteran Status	10 points maximum	Veterans = 10 pts
