

Rubric for Evaluation of Airframe Manufacturing Technology Bachelors of Science Degree  
Program Application

Criteria	Points	Point Assignment
Grade point average in coursework	40 points maximum	Minimum 3.0 GPA in AFAB or AERO GPA 4.00 = 20 pts GPA 3.50 – 3.99 = 15 pts GPA 3.00 – 3.98 = 10 pts  Minimum 3.0 Cumulative GPA (Overall) GPA 4.00 = 20 pts GPA 3.50 – 3.99 = 15 pts GPA 3.00 – 3.98 = 10 pts
Relevant academic degrees or certificates* (i.e. Chemistry, Physics, Biology, Software Engineering, Statistics, Advanced Manufacturing, Advanced Aircraft Structures, and Enterprise Resource Planning - SAP).  *As determined by AFMT discipline faculty	25 points maximum	BS/BA = 25 pts AS/AA = 15 pts Certificate = 10 pts
Relevant industry work experience* (i.e. aircraft maintenance, aircraft sustainment and industrial productions)  *As determined by AFMT discipline faculty  Note: Must provide a verification of employment letter and it must include the applicants full name, position, and length of employment.	25 points maximum	Number of years with work experience 4-5 = 25 pts 2-3 = 15 pts 1 = 10 pts
Veteran Status	10 points maximum	Veterans = 10 pts
