

The Academic Policies & Procedures (AP&P) has identified those courses that must be revised per Title 5 requirements this fall semester in order to remain in good standing. Revisions must be processed and submitted to the AP&P Committee using the electronic software CurricUNET, www.curricunet.com/avc . AP&P Committee review and approve must occur no later than November 12, 2015 to be included in the college catalog and avoid scheduling restrictions for the 2016-2017 academic year.

For your convenience the courses needing revision are listed below along with their current status in CurricUNET. **Courses noted in orange require immediate attention from Faculty:**
