Fall 2013 Welcome Back Day Evaluation

Q9 Please provide any additional feedback:

Answered: 71 Skipped: 69

#	Responses	Date
1	My view of welcome back day is that for the most part it is a serious waste of my time. The student discipline session turned to a personal bitch session with one faculty member on a mission to attack the Sheriffs dept. The session on Faculty development session was ineffective and a seriously lacking session. The Health benefits session was useful though doesn't do anything for my "professional Development". I think that overall the FPD leaves a lot to be desired for development of faculty and is simply a filler for the non instructional time we spend on campus.	9/4/2013 1:14 PM
2	Very informative and worthwhile; hope for the spring it is as informative and helpful	8/30/2013 7:31 PM
3	Very informative and worthwhile; hope for the spring it is as informative and helpful	8/30/2013 7:31 PM
4	I get good and useful information from the workshops.	8/30/2013 4:04 PM
5	Was not able to attend as I am only adjunct and have a day job. Perhaps once in a while you can have stuff on a Saturday.	8/30/2013 2:47 PM
6	How can we overcome students signing up and not staying the full term of the class?	8/30/2013 12:58 PM
7	As a new faculty member, I found many of the presentations difficult. Most presenters seemed to begin in the middle of a conversation--referencing prior years. Without this background information, I found it difficult to fully benefit from the presentations.	8/30/2013 12:26 PM
8	One of the most beneficial ever!	8/30/2013 8:38 AM
9	Good day. Everyone did a good job and put forth an appreciated effort.	8/29/2013 9:25 PM
10	Offer more workshops about teaching methods and techniques for student-centered classroom. Could we have workshops in the same building?	8/29/2013 9:17 PM
11	Again a complete waste of time	8/29/2013 8:05 PM
12	It will be nice if we have options to do half day or all day (maybe 8 hours is too long for somebody).	8/29/2013 4:45 PM
13	It will be nice if we have options to do half day or all day (maybe 8 hours is too long for somebody).	8/29/2013 4:45 PM
14	Thank you for doing good job for us.	8/29/2013 4:23 PM
15	Longer faculty meetings, less of the other.	8/29/2013 4:07 PM
16	Attendance is for FLEX hours	8/27/2013 3:44 PM
17	The day was too long. It feels like institutional violence to be made to sit, compliant and attentive, for 9 hours. It was awful. It drains the life out of us. I'd rather a letter that explains the important information without the exercise in discipline. This should be voluntary and part of Fac PD, not mandatory. I would come for a few hours, skip a session when I needed a break, and would have been a much better contributor to the effort. As it stands, the policy for fac who do not participate in Welcome Back is punitive. We have a set number of required PD hours, and as faculty, we are obliged to complete those hours; dictating when I must participate and setting your priorities over my own for professional development illustrates your lack of recognition of my professionalism.	8/23/2013 12:20 PM
18	Please, speakers must guard against allowing one or two persons from the audience dominate the comments during the presentation. This is so very important. Thank you.	8/23/2013 8:39 AM
19	Very beneficial and interesting. Lunch was also very nice!!!!	8/22/2013 6:12 PM
20	I love that you offer this. It was a really informative day.	8/21/2013 6:35 PM
21	All sessions were very useful for additional knowledge.	8/21/2013 6:32 PM
22	Would like to see WBD optional in both Fall and Spring.	8/21/2013 4:19 PM
23	Wonderful picnic...food good and gave faculty a chance to network and see others with whom they do not have the chance to interact with during the year. Great gesture and way to start the semester.	8/21/2013 11:46 AM
24	Thus was a successful day! Thank you!	8/21/2013 9:04 AM
25	I was not very interested in any of the sessions offered...spring session 2013 offerings were much better...	8/21/2013 8:09 AM
26	Good session and great opportunity to meet new leaders. Enjoyable and appreciated lunch.	8/21/2013 7:22 AM
27	I also enjoyed the BBQ lunch with the opportunity to meet our new president.	8/21/2013 6:17 AM
28	Love the free lunch!	8/20/2013 11:24 PM

Fall 2013 Welcome Back Day Evaluation

29	The one gentleman who gave the counseling first session and assisting students was a little scattered. Could have talked a bit more about what AVC has to offer students.	8/20/2013 10:59 PM
30	Thanks to the President for the lunch. The staff would benefit from a session on retirement funds--403b, 457b, etc.	8/20/2013 9:59 PM
31	Thank you for the sessions and the dinner.	8/20/2013 7:02 PM
32	Too many breakout sessions. Two would be better. I felt pressured to hurry back and forth to and from them. What about hosting one big session in which a number of topics are assigned to each table, and faculty and pick and choose on the spot which ones to attend?	8/20/2013 5:35 PM
33	Have as many sessions in the new health and science building as possible. Very comfortable	8/20/2013 5:23 PM
34	The sessions were well received and pertinent to the instructors. The speakers were well versed with their subjects.	8/20/2013 5:14 PM
35	It seems that the general session is always and only about thanking other people. It's like lets pat our backs before we start the semester.	8/20/2013 4:55 PM
36	I have been an adjunct for FIVE years and just yesterday learned we have a perfectly beautiful pool going to waste. We discussed wellness and fitness in the meeting. How about making that pool available for faculty to use for fitness during the days and evenings?	8/20/2013 4:48 PM
37	Always a good event with worthwhile information.	8/20/2013 4:08 PM
38	Always a good event with worthwhile information.	8/20/2013 4:07 PM
39	Great job!	8/20/2013 3:53 PM
40	No fun. Lunch was the best part.	8/20/2013 3:38 PM
41	HR needs to be an active participants in these sessions...ex. Leave...explain leave options for faculty.	8/20/2013 3:35 PM
42	The very low to very high is in a different order for questions 3, 5, 7.	8/20/2013 3:04 PM
43	The day started on a very positive note....LOVE the new President and he was very upbeat. In our division we were VERY disappointed that neither the Academic Senate President or the Union President made mention of the Scholar in Residence (Ed Beyer). It was certainly a missed opportunity.	8/20/2013 2:55 PM
44	There was not enough room for the division meeting and several people had to sit on the floor or stand during the meeting. With the college being closed, a bigger room that actually fits the staff would be much appreciated!	8/20/2013 2:50 PM
45	Thanks to Mr. Knudson for lunch. It made the day infinitely better!	8/20/2013 2:34 PM
46	Sitting on the concrete steps of LH1 for 1 1/2 hours was very unpleasant.	8/20/2013 2:29 PM
47	How about a future sessions from Greg Krynen on the most important changes to Blackboard?	8/20/2013 2:27 PM
48	I would not switch the response pattern between question 4 and 5	8/20/2013 2:24 PM
49	1. The break out sessions are too long. 2. Provide faculty either with individual time, or group time with our colleagues. 3. Provide opportunities for 'other' work to be accomplished and/or discussed. 4. Think outside the box on these sessions.	8/20/2013 2:22 PM
50	Keeping speakers to their time limits was good.	8/20/2013 2:21 PM
51	I am not sure that I am any more professionally developed than I was before. Please bring back the SLO action plans writing session in the afternoon. It may not have been popular, but at least it was a valuable use of time. It is so rare that we are able to get so many faculty (full-time and adjunct) together and we should use that time to analyze our SLO data and make plans for the future. It helps us reach our goals for accreditation as well.	8/20/2013 1:44 PM
52	The facilitator for the Androgogy session was excellent. I learned so much from her and will definitely take a Professional Development session offered by her in the future!	8/20/2013 1:24 PM
53	I learned at least one important new thing from every session that I attended.	8/20/2013 1:24 PM
54	Also attended Division meeting - very good!!	8/20/2013 1:17 PM
55	I was very appreciative of the lunch provided. Also, it was a pleasure to focus on the positive this year.	8/20/2013 12:56 PM
56	Loved the lunch--good for morale. If we are going to have breakout sessions until 5pm, then there needs to be an agenda for those sessions. Otherwise we should go home	8/20/2013 12:44 PM
57	I was happy that speakers stuck to schedule.	8/20/2013 12:42 PM
58	I arrived late (9:00) due to child commitments. I had to leave at 2:00 to pick up the same child. What I did see was very informative. I neglected to sign in anywhere, so I will attend others. Thanks for lunch.	8/20/2013 12:27 PM
59	Info on discipline and plagiarism very beneficial.	8/20/2013 12:23 PM
60	It was well organized, well run, and had a positive tone. The lunch and jazz band were awesome too.	8/20/2013 12:17 PM

Fall 2013 Welcome Back Day Evaluation

61	There was not enough information provided for adjunct faculty -(on health benefits). Thank you.	8/20/2013 12:15 PM
62	Outside professional presenters could add a lot... E.g., motivation speakers	8/20/2013 11:53 AM
63	I attended the grade book seminar on Thursday, it would have been a useful topic for future events.	8/20/2013 11:51 AM
64	excellent lunch	8/20/2013 11:38 AM
65	The Welcome Back Day doesn't provide much new information and much in-depth information in the sessions. Most of what is covered could be discussed at the Faculty meeting or in a separate FPD presentation. FPD events in general during the academic year don't really connect to my teaching and I don't see the benefits to having to attend presentations that have nothing to do with the content I teach or with actual teaching. I would rather have the extra two weeks back in the calendar to spend that time in the classroom.	8/20/2013 11:29 AM
66	The rating chart for Session II is arranged in opposite order from the options provided for the other sessions. Data may be incorrect if readers do not notice the change.	8/20/2013 11:21 AM
67	The breakout sessions seem to cover the same material each year. Also, we see many of the same presenters. Do faculty members request to present on this day? Is the flex committee interested in new topics and presenters? Perhaps a call could go out to mix it up a little next year... Additionally, the length of each session seems too long for most topics. I find myself only getting a good 15-30 minutes worth of useful information in each session.	8/20/2013 11:10 AM
68	Lunch was appreciated.	8/20/2013 10:58 AM
69	Please check this form, the high and low switched places in one section and people may accidentally select low when they meant to select high. The sessions were far, far too long. 45 minute sessions would have been much better. An hour and a half is just too long. There were no bathrooms open around the lecture halls. You had to walk an extremely long distance to find a bathroom. Big issue.	8/20/2013 10:52 AM
70	Thank you. Excellent job.	8/20/2013 10:44 AM
71	Thank you. Excellent job.	8/20/2013 10:43 AM
