All such documents shall be subject to inspection and audit at reasonable times. Upon request, a legible copy of any or all such documents shall be produced at the offices of the Auditor General, the Attorney General or the College Purchasing Office.

- 10. Conflict of Interest** – The College may, within three years after its execution, cancel the agreement without penalty or further obligation if any person significantly involved in negotiating, drafting, securing or obtaining the agreement for or on behalf of the College becomes an employee of or a consultant in any capacity to any other party to the agreement with reference to the subject matter of the Agreement while the Agreement or any extension thereof is in effect.

11. Drug Free Workplace – The Consultant agrees that in the performance of the Agreement, neither the Consultant nor any employee of the Consultant shall engage in the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance in conducting any activity covered in the Agreement. The College reserves the right to request a copy of the Consultant Drug Free Workplace Policy. The Consultant further agrees to insert a provision similar to this statement in all subcontracts for services required.

The Consultant must demonstrate that they are duly licensed by whatever regulatory body may so require during the performance of the Agreement. Prior to the commencement of Agreement, the Consultant shall be prepared to provide evidence of such licensing as may be requested by the College. Consultant shall, at no expense to the College, procure and keep in force during the entire period of the Agreement all such permits and licenses.

14. 15. Liens – Each Consultant shall keep the College free and clear from all liens asserted by any person or entity for any reason arising out of the furnishing of services or materials by or to the Consultant.

16. Sales and Use Tax – The College is not exempt from state sales and use tax.

17. Sexual Harassment – Federal law and the policies of the College prohibit sexual harassment of College employees or students. Sexual harassment includes any unwelcome sexual advance toward a College employee or student, any request to a sexual favor from a College employee or student, or any other verbal or physical conduct of a sexual nature that is so pervasive as to create a hostile or offensive working environment for College students. Consultant, subcontractors and suppliers for this project are required to exercise control over their employees so as to prohibit acts of sexual harassment of College employees and students. The employer of any person whom the College, in its reasonable judgment, determines has committed an act of sexual harassment agrees as a term and condition of the Agreement to cause such person to be removed from the project site and from College premises and to take such other action as may be reasonably necessary to cause the sexual harassment to cease.

18. Smoking – All facilities of the College are smoke free. Smoking is only permitted in the parking lots of the District. The Consultant is required to comply with this smoke free policy.

19. Confidentiality – The parties shall comply with 20 USC Section 1232(g), the Buckley Amendment to the Family Educational Right and Privacy Act of 1974. Therefore, Contractor shall not be entitled to receive Employee or Student information directly from the College, other than public information available in any College directory which is not protected by federal or state privacy or confidentiality statutes or regulations. Contractor may solicit Employee and Student information directly from Employees and Students subject to prior disclosures by Contractor of all intended uses of such information. Regardless of the Employee or Student personal information, even if such information is publicly available via directories, Contractor shall under no circumstances sell, duplicate, market, or give to any person or persons, entities or other companies a list or other personal information of any or all Employees or Students. All Employee and Student identities and personal information shall remain confidential. Disclosure by Contractor occurring without the express prior written consent of the Employee or Student shall result in the immediate termination of this agreement.

20. Assignment-Delegation – No right or interest in the Agreement shall be assigned or delegated by Consultant without the prior written permission of the College. Any attempted assignment or delegation by Consultant shall be wholly void and totally ineffective for all purposes unless made in conformity with this paragraph.

21. Force Majeure – Neither party shall be liable in damages or have the right to terminate this Agreement for any delay or default in performing under the Agreement if such delay or default is caused by conditions beyond its reasonable control including, but not limited to wars, insurrections, fires, floods, governmental restrictions and/or any other cause beyond the reasonable control of the party whose performance is affected.

22. Intellectual Property Rights – It is understood and agreed that ownership of intellectual property developed as a result of fulfilling the requirements of this Agreement belongs solely and exclusively to the College. Documents provided in connection with the Agreement belong to the College and are being used with permission. Intellectual property, as used herein, means all forms of legally protectable intellectual property, including copyrights, trademarks, inventions, patent applications, patents and mask works, drawings and/or blueprints. It is also understood and agreed that any intellectual property created as a result of Consultant's performance of this Agreement is considered a work for hire under the U.S. copyright laws and as such, the College will own the copyright.

23. Laws and Regulations – Consultants are solely responsible for keeping themselves fully informed of and faithfully observing all laws, ordinances, and regulations affecting the rights of their employees, and shall protect and indemnify the College, its officers and agents against any claims of liability arising from or based on any violation thereof.

24. Payment Terms – The College's obligation is payable only and solely from funds appropriated for the purpose of the Agreement. Unless otherwise stated herein, the payment terms for the Agreement are Net 30 days.

25. Price Adjustment – Price changes will normally only be considered at the end of one Agreement period and the beginning of another. Price change requests shall be in writing, submitted at least sixty (60) days prior to the end of the current Agreement period, and shall be supported by written evidence of increased costs to the Consultant. The College will not approve unsupported price increases that will merely increase the gross profitability of Consultant at the expense of the College. Price change requests shall be a factor in the Agreement extension review process. The College shall, in its sole opinion, determine whether the requested price increase or an alternate option is in the best interest of the College.

26. Prior Course of Dealings – No trade usage, prior course of dealing, or course of performance under other agreements shall be a part of this Agreement resulting from this RFP, nor shall such trade usage, prior course of dealing or course of performance be used in the interpretation or construction of such resulting agreement.

27. Right to Offset – The College shall be entitled to offset against any sums due the Consultant, any expenses or costs incurred by the College, or damages assessed by the College concerning the Consultant's non-conforming performance or failure to perform the Agreement, or any other debt owing the College.

28. Insolvency – The College shall have the right to terminate the Agreement at any time in the event Consultant files a petition in bankruptcy; or is adjudicated bankrupt; or if a petition in bankruptcy is filed against Consultant and not discharged within thirty (30) days; or if Consultant becomes insolvent or makes an assignment for the benefit of its creditors or an arrangement pursuant to any bankruptcy law; or if a receiver is appointed for Consultant or its business.

29. Lack of Funding – The Agreement may be canceled without further obligation on the part of the College in the event that sufficient appropriated funding is unavailable to assure full performance of the terms. The Consultant shall be notified in writing of such non-appropriation as soon as reasonably possible. No penalty shall accrue to the College in the event this cancellation provision is exercised. This cancellation provision shall not be construed so as to permit the College to terminate the Agreement in order to acquire similar equipment, material, supplies or services from another party.

30. Stop Work Order – The College may at any time, by written order to the Consultant, require the Consultant to stop all or any part of the work called for by the Agreement for a period of up to ninety (90) days after the order is delivered to the Consultant, and for any further period to which the parties may agree. The order shall be specifically identified as the Stop Work Order issued under this provision. Upon receipt of the order, the Consultant shall immediately comply with its terms and take all reasonable steps to minimize the incidence of costs allocable to the work covered by the order during the period of work stoppage. If a Stop Work Order issued under this provision is canceled or the period of the order or any extension expires, the Consultant shall resume work. The College shall make an equitable adjustment in the delivery schedule or Agreement price, or both, and the Agreement shall be amended in writing accordingly.

31. Suspension or Debarment – The College may by written notice to the Consultant immediately terminate the Agreement if the College determines that the Consultant has been debarred, suspended, or otherwise lawfully prohibited from participating in any public procurement activity, including but not limited to, being disapproved as a subcontractor or Contractor of any public procurement unit or other governmental body.
