- 1) Classified employees shall not be required to perform duties that are not fixed and prescribed for the position by the governing board, unless the duties reasonably relate to those fixed for the position by the Board, for any period of time that exceeds five working days within a fifteen (15) calendar day period except as authorized herein. An employee may be required to perform duties inconsistent with those assigned to the position by the governing board for a period of more than five working days if the employee’s salary is adjusted upward for the entire period the employee is required to work out of classification and in amounts that will reasonably reflect the duties as required to be performed outside the employee’s normal assigned duties.

If ~~it~~the assignment is expected to exceed ~~s~~ 5 working days within a 15-calendar day period, the supervisor shall immediately notify the Office of People, Culture & Talent~~Human Resources and the Federation~~ in writing with the affected employee’s name, department, and projected length of time the employee will be working out of class. If the assignment is approved, the Office of People, Culture & Talent shall notify the Federation in writing.

59 placement. Compensation for pre-approved out of classification work shall be

67

68 **13.2 Classification/Reclassification Definitions**

69

70 13.2.1 **Classification**- Means that each position in the classified service shall have a
71 designated title, a regular minimum number of assigned hours per day, days
72 per week, and the months per year, a specific statement of the duties required
73 to be performed by the employees in each such position, and the regular
74 monthly salary range for each such position. (California Education Code,
75 Section 88001).

76

77 13.2.2 **Reclassification**- Means the upgrading of a position to a higher Classification
78 as a result of the gradual increase of the duties being performed by the
79 incumbent in that position. (California Education Code, Section 88001).

80

81 **13.3 Classification/Reclassification Purpose**

82

- 83 1) The District and the Federation believe it is important to maintain a fair equitable
84 Classification system. Because duties and responsibilities change over time, the
85 parties have agreed to the following system to upgrade and recognize changes
86 that take place. When the District creates a new position or proposes to change
87 the content of a vacant job description (as a result of the procedures outlined
88 below or as a result of annual Reclassification updates), the proposed revised job
89 description shall be sent to the Federation prior to being sent to the Board of
90 Trustees, within fifteen (15) calendar days or less by mutual agreement for the
91 Federation to review and approve of the proposal and meet and confer, if the
92 Federation chooses.
- 93
- 94 2) Decisions regarding classification/reclassification shall be based on substantial
95 and permanent changes in the level of duties and responsibilities of the position
96 assigned by the District.
- 97
- 98 3) The Classification and Reclassification of positions are processes that are
99 implemented to ensure that positions with similar level of duty and responsibility
100 are accorded similar levels of compensation, thus ensuring equity amongst staff.
101 It entails an understanding of the relationship of a specific job to other jobs
102 in the District and to the District's overall goal, as well as to other agreed
103 upon Districts with similar criteria. Any modifications are subject to review and

shall be mutually agreed upon by the Federation and the District.

- 4) **The evaluation of classifications to determine whether the same substantial and permanent change has occurred for an entire group of positions within a classification is a Group Reclassification Range Reallocation, which may be submitted to the committees for decision. Justification criteria: the sudden or gradual increase of duties, knowledge, skills, or responsibilities, being performed by all incumbents in all positions within a classification shall be sufficient justification for Group Reclassification Range Reallocation.**

13.4 **Request for Reclassification**

13.4.1 A request for Reclassification may be initiated by management or by the employee. The employee must **have attained permanent status in their classification**~~be a permanent classified employee~~ and must have been performing the new duties, which are the basis for the reclassification request, for at least six (6) months before the request. To make a request for reclassification, management or the employee shall submit a request for reclassification by **the fourth week of** January ~~1st~~ to **Office of People, Culture & Talent**~~Human Resources~~. **The Office of People, Culture & Talent**~~Human Resources~~ will date-stamp the request and forward the request to the ~~Federation President and the~~ employee's supervisor and/or manager, **inviting the supervisor to agree or disagree with the content of the reclassification application by a specified date by the second week of February.** **The request shall include: A completed classification/reclassification application.**
[Omitted from both parties' proposals. Assuming this was intended to be deleted.]

- 1) A copy of the employee's current job description
- 2) Any additional supporting documentation

Completed reclassification materials will be assembled by the Office of People, Culture & Talent, and will be forwarded to the Federation President by March 1.

13.4.2 An employee who has applied for reclassification may not apply for another reclassification for at least 1 year from the date of the last request.

13.4.3 An employee who has been denied a reclassification may not reapply for at least one year unless the employee's work duties have **changed substantively increased since the last reclassification request** and are inconsistent with the job description for the employee's classification.

13.4.4 **The reclassification request form/application will be available from Office of People, Culture & Talent.**

- 1) To ensure equity and consistency in the reclassification process, the initial review of reclassification requests shall be delegated to two (2) independent committees, one empaneled by the Federation and one empaneled by the District. The committees shall conduct their own independent review of the reclassification request(s). As part of these reviews, the committees may request additional information from the applicant or applicant's supervisor as needed. Written responses to information requests shall be provided concurrently to both committees. When an interview with the applicant or applicant's supervisor is necessary to obtain additional information, PCT shall coordinate scheduling with representatives from each committee to ensure that no more than one (1) interview is necessary, from which both committees receive the same information from the applicant and/or supervisor.
 - 2) On or before April 1, after completing review of the reclassification requests, the committees shall exchange ratings, recommendations and other relevant information, and shall review the recommendations advanced by their counterparts.
 - 3) If one or both committees recommends against the reclassification or recommends in favor of a different reclassification than requested by the applicant, the committees shall notify the applicant, provide the explanation for the negative recommendation, and provide the applicant with an opportunity to respond in writing with additional information or documentation by April 7. The committees shall then review the written response, and either or both committees may modify their recommendation.
 - 4) When the recommendations of the District and Federation committees are in agreement, the mutual recommendations shall be forwarded to the Superintendent/President on or before May 1, with the intent of producing a written determination to the employee on or before May 15.
 - 5) When the recommendations of the District and Federation committees are not in agreement, two (2) representatives from each committee shall meet remotely or in person to discuss the differences in recommendations and attempt to reconcile the committee recommendations. Any unanimous recommendations arising from this meeting shall be forwarded to the Superintendent/President on or before May 1, with the intent of producing a written determination to the employee on or before May 15.
 - 6) If the Superintendent/President denies a reclassification request or makes a negative determination, or if the recommendations of the committees cannot be reconciled, the reclassification requests shall be forwarded to the Federation and District for negotiations.

205
206
207

The Classification/Reclassification Review Committee is responsible for the initial recommendations for the classification/reclassification of positions within the bargaining unit to ensure greater equity and consistency. The Committee

208 shall use the Kuhn and Associates Grid, or a similar grid, to score candidates,
209 with the District providing access to these materials for the Committee. The
210 District will also provide input to the committee throughout the process. The
211 committee and the President must support the recommendations. Members of
212 the Classification/Reclassification Committee shall include:

213
214 a) Vice President of Human Resources or designee (ex-officio).

215
216 b) 4 classified representatives (appointees of the Federation/ voting).

217
218 c) 1 representative from the Classified-
219 Confidential/Management/Supervisory unit (ex-officio).

220
221 d) 1 alternate classified representative (non-voting).

222
223 2) The Federation will appoint a classified representative to Chair the
224 Committee. The committee will be co-chaired by 1 classified member
225 and the Vice President of Human Resources or designee, the classified
226 chair will rotate every two years.

227
228 3) The members of this committee will be appointed for staggered three (3)
229 year terms.

230
231 4) The incumbent members of the Classification/Reclassification Committee
232 shall provide training to all newly appointed members of the committee.

233
234 **13.6 Process Qualified Employees-** Whenever permanent and substantial changes have
235 occurred since a position was last classified, a review of the position is appropriate.
236 While there are many desirable qualities for employees to have that should be
237 recognized, reclassification is based upon the duties assigned to a position, not the
238 qualifications of the incumbent. Put simply, the position is classified, not the person
239 holding such position. Justification criteria: the sudden or gradual increase of duties,
240 knowledge, skills, or responsibilities, being performed by the incumbent in that
241 position is justification for Reclassification. Significant and on-going changes in the
242 nature, variety and complexity of duties, supervision received, or supervision
243 exercised may indicate the need for a Reclassification review.

244
245 **13.7 Non-qualifying classification/reclassification criteria**

246
247 The most common misconception about Reclassification revolves around the person-
248 position distinction. Examples of person-related factors that are not taken into
249 consideration when classifying a position include:

250
251 **13.7.1 Longevity-** The fact that an employee has reached the top step in the pay scale
252 is not a factor in Reclassification.

253
254 **13.7.2 Future Projects-** Reclassification of duties being performed is appropriate, not
255 of those that might be added to a job down the line. As such, Reclassification
256 requests must be delayed until new projects or assignments have officially
257 begun.
258

259 **13.7.3 Financial Need-** The Reclassification process cannot take personal financial
260 conditions into consideration.

261
262
263 **13.7.4 Workload-** Employee feeling overwhelmed by their workload is no justification
264 for reclassification.

265
266
267 **13.7.5 Retention-** The possibility of losing an employee cannot be considered in
268 Reclassification decisions.

269
270 **13.7.6 Performance/Dedication-** Commitment and enthusiasm should be recognized,
271 however it is not justification for Reclassification.

272
273 **13.7.7 Personality-** The District and Federation encourage employees to be pleasant,
274 Patient, and helpful, however, these qualities cannot be recognized the
275 Reclassification process.

276
277 **13.7.8 Promotion-** Over time, employees might grow and gain new skills within their
278 current position and be ready to take a step to a new level of responsibility, but
279 their job does not warrant a Reclassification.

280
281 **13.7.9 Education-** Achieving a higher level of education and/or training during tenure in
282 a classification does not warrant a Reclassification.

283 **[Were these intended to be deleted?]**

284
285 **13.8 Application**

- 286
287 1) ~~The job classification/reclassification application will be available from~~
288 ~~Human Resources and/or the Federation.~~
- 289
290 2) ~~For the annual reclassification review, the employee will submit the~~
291 ~~application to the Human Resources Offices and their immediate supervisor~~
292 ~~electronically or hard copy by the deadline, please make sure to keep a copy~~

- 294
295 3) ~~The supervisor will make comments and review with the employee before~~
296 ~~submitting the application to the Office of Human Resources and the union~~
297 ~~president electronically or hard copy by the established deadline. However,~~
298 ~~the employee has the right to submit an application for Reclassification~~
299 ~~whether it is supported by the supervisor or not. A supervisor cannot~~
300 ~~change or require the employee to change the employee's responses on the~~
301 ~~application. The employee and management must adhere to strict~~
302 ~~processing timelines for requests as defined during the study. The~~
303 ~~supervisor will make a copy of the request for the employee.~~
- 304
305 4) ~~Upon receipt of the application, Human Resources will formally~~
306 ~~acknowledge by returning an acknowledgement email.~~

307
308 **13.9 Review of Applications**

309
310 ~~Upon receipt of the Classification/Reclassification application, the committee~~

311 shall complete a review of the application and render a decision in writing to the

315
316 The Vice President of Human Resources or designee will consult with the College
317 President and issue a Classification/Reclassification decision to the employee by
318 April 15.

319
320 **13.11 Appeal**

321

324 follows:

326 1) An employee may appeal in writing the reclassification decision to the Vice

330 employee provided on the application. The supervisor and/or manager
331 may be asked to attend and address the committee.
332 3) The committee will render a recommendation and communicate that
333 recommendation in writing to the President. The President will render the
334 final decision subject to ratification of the Board of Trustees. The Vice
335 President of Human Resources or designee will then send notification to
336 the employee and supervisor. If the appeal is denied, justification will be
337 given in writing.
338 4) The Federation President, employee and supervisor will be notified in
339 writing of the decision of the Appeal.
340 5) There will be no further appeals.

341
