These are instructions for **first time users** creating a CalSTRS 403bComply account. **Existing users** will find this document helpful because the website has been updated, and this will walk you through those new screens.

TRADITIONAL CalSTRS 403bComply: This plan automatically deducts part of your salary into the retirement savings plan before taxes are taken out. The money grows tax-deferred until it's withdrawn, and then the taxes come due.

<u>REMINDER</u>: You can have both a traditional and a CalSTRS Roth 403bComply account—and contribute to one or both at the same time—if allowed by your plan.
