**3. APPROVAL OF MINUTES**

After reviewing the minutes, a motion was made to approve the May 28, 2009 AP&P meeting minutes. Motion carried.

**4. MANDATORY CHANCELLORS OFFICE TRAINING**

b. Stand Alone Courses

This is the third year of this mandatory training, which will continue at least until 2012. Ms. Clinton presented a 29 slide PowerPoint presentation from the Chancellor's Office and discussed each slide as required. Maria Clinton said that we are in compliance with Title 5 and all the requirements are already built into our forms. She will send the certification form up to the Chancellor's Office next week with all necessary signatures.

**5. INFORMATIONAL ITEMS**

a. AP&P Handbook – *provided at meeting*

Ms. Clinton informed the committee that the handbook had minimal updates. Ms. Clinton distributed the new cover page, table of contents, and pg. 45-48. She also made updates to the Appendix portion of the handbook concerning the divisions and departments because of the reorganization of the campus. The committee was notified that Appendix A is posted on the web and should be downloaded to add to their existing handbook.

b. 09-10 Timeline

Ms. Clinton informed the committee that it is important for everyone to keep to the timeline.

c. AP & P Forms

Ms. Clinton informed the committee that the 08-09 forms will remain the same, changes or revisions to the form will be evaluated with the implementation of the CurricUNET software.

d. 2009-10 College Catalog – *be sure to bring to meeting*

Ms. Clinton informed the committee that the college catalog deadline has moved from the spring semester to the fall semester. Dr. Grishman had concerns about transferable courses being out of date and compliance with the University requirements, which was clarified by Maggie Drake that the catalog deadline was only for course and

program changes, counseling and articulation officers will still have the ability to update necessary changes to the catalog in the spring.

e. College Catalog Deadline

f. COR revisions for 2009-10 – ***be sure to bring matrix distributed August 24***

Ms. Clinton informed the committee that the courses highlighted in green absolutely need to be updated this year.

Ms. Clinton also stated that the review process should be initiated for the courses highlighted in blue.

## 6. REPORTS (limited to 5 min. each)

a. None

Ms. Clinton announced to the committee that there were no reports for this meeting.

## 7. ACTION ITEMS

a. None

Ms. Clinton announced to the committee that there were no action items for this meeting.

b. Revising Diversity Studies Requirement

Ms. Clinton discussed the possibility of revising the Diversity Studies Requirement statement in the catalog. A motion was made to amend the agenda to move 8f to an Action Item. Motion carried. A second motion was made to form a task group to research other University's Diversity Studies Requirement statement and report back to the committee. Motion carried. Members of the committee were asked to volunteer to be part of the task force.

De'Neal Coleman-Carew, Lee Grishman, Scott Lee, and Duane Rumsey volunteered to participate on the task force committee. The task force committee will report back to AP&P on their findings on October 8, 2009.

## 8. DISCUSSION ITEMS

a. Special Topic Courses

Ms. Clinton announced that at the Curriculum Institute it was discussed that Special Topic Courses offered and went twice, then a need has been established and therefore it should be brought to AP&P as a course.

b. Corporate and Community Services

Ms. Clinton announced that these types of courses still need to be brought through AP&P for approval. Beverly Beyer announced that several Corporate and Community Services Courses are going to be submitted to AP&P from Elayne Davis.

c. Distance Education – Hybrid versus Online

Ms. Clinton clarified the meaning of hybrid versus online courses. If a course meets anytime face to face then it is considered a hybrid. Sharon Lowry announced that a faculty cannot require the students to attend a face to face meeting unless published in the schedule of class.

d. Reviving Obsolete Courses

Ms. Clinton announced that in order to revive an obsolete course, the course must be brought back through AP&P as a new course. Sharon Lowry stated that a course could keep its previous obsolete number if the course content remains the same.

e. SLOs and the Course Syllabus

Ms. Clinton and Mrs. Lowry reiterated again that for accreditation purposes that students must be informed of the course's SLO. Mrs. Lowry stated that the SLO does not need to be included in the course syllabus but it needs to be evident that the students are aware of the SLO for that course, either by posting it in Blackboard or providing a copy to the students.

f. AP & P Deadlines

Ms. Clinton reiterated the fact that the deadlines were going to be adhered to because of the new faculty and staff on AP&P.

g. Additional Discussion Items from the Committee

Work Experience – Beverly Beyer brought up the fact that Work Experience needs to be reviewed and updated.

Catalog Concerns – De'Neal Coleman-Carew brought up the confusion regarding the attendance statement in the catalog and the language in the LAS degree concerning the minimum grade of C for the degree. Ms. Clinton announced that these items will be addressed this academic year.

## 9. ADJOURNMENT

Subject: Course Revisions for 09-10

---

In order to meet the requirements of Program Review and prepare for the next Accreditation Self Study, it is imperative that courses older than 6 years be revised this academic year. Attached is an “active” COR matrix for your division that highlights courses which must come forward to AP&P.

CORs showing a date of 2004 or earlier must be submitted to AP&P for review and approval by December 12, 2009. This means they must be turned in for Technical Review no later than October 19, 2009. (These courses are highlighted in blue and green on the attached matrix.)

**Please note that in order to have a course included in the 2010-2011 College Catalog, the necessary materials must be submitted to the AP & P Committee by November 2, 2009.**  
Also refer to the 2009-10 AP & P Committee timeline, which can be found on the Web at <http://www.avc.edu/administration/organizations/app/> for agenda deadlines.

**Courses that are not submitted will be declared obsolete and pulled from the 2009-10 catalog.** If SLOs have not been established for any of these courses, they must be done prior to submission to AP&P.

Please contact Maria Clinton via email ([mclinton@avc.edu](mailto:mclinton@avc.edu)) if you find any errors and AP&P files will be checked for accuracy.
