

ANTELOPE VALLEY COLLEGE

BASIC SKILLS FORUM

“AVC SUCCESS CENTER”

Friday, September 20, 2013 • 9 to 12 p.m. • HS-201

The AVC Basic Skills Forum is designed as an interactive seminar to help provide holistic structure and support to students, instructors, support services and the community to increase student retention and success at AVC. This Forum is an AVC Quest for Success event supported by the California Basic Skills Initiative and Title V Solo Grant.

College Success Network

Phone: (661) 722-6300, ext. 6357

E-mail: ajoseeguaras@avc.edu

*Eligible for Faculty Professional Development
Standard I (4 hours)*

Join us to discuss the vision, the planning and the development of the AVC Success Center and ways to help more students succeed. Your input is important as we raise awareness regarding barriers and solutions for student success; and how we, as a campus community, can work together collaboratively and effectively to enhance our efforts to give our students an empowering access to opportunities to be successful. Each of us has an important role to build our Success Center as well as avenues and initiatives to help AVC students succeed.

We look forward to seeing you at the forum!
